1. INTRODUCTION

Thank you for choosing the **JIMMY JV65 Cordless Handheld Vacuum Cleaner**. This manual provides essential information for the safe operation, maintenance, and troubleshooting of your new appliance. Please read it thoroughly before first use and keep it for future reference.

Image 1.1: The JIMMY JV65 Cordless Handheld Vacuum Cleaner in Red. This image shows the complete vacuum cleaner with its main body, extension wand, and floorhead attached, ready for use.

2. IMPORTANT SAFETY INSTRUCTIONS

When using an electrical appliance, basic precautions should always be followed, including the following:

- Read all instructions before using this appliance.
- Do not use outdoors or on wet surfaces.
- Do not allow to be used as a toy. Close attention is necessary when used by or near children.
- Use only as described in this manual. Use only manufacturer's recommended attachments.
- Do not use with damaged cord or plug. If appliance is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, return it to a service center.
- Do not pull or carry by cord, use cord as a handle, close a door on cord, or pull cord around sharp edges or corners. Do not run appliance over cord. Keep cord away from heated surfaces.
- Do not unplug by pulling on cord. To unplug, grasp the plug, not the cord.
- Do not handle plug or appliance with wet hands.
- Do not put any object into openings. Do not use with any opening blocked; keep free of dust, lint, hair, and anything that may reduce airflow.
- Keep hair, loose clothing, fingers, and all parts of body away from openings and moving parts.
- Do not pick up anything that is burning or smoking, such as cigarettes, matches, or hot ashes.
- Do not use to pick up flammable or combustible liquids, such as gasoline, or use in areas where they may be present.
- Do not pick up toxic material, such as chlorine bleach, ammonia, or drain cleaner.
- Do not use without dust cup and/or filters in place.
- Turn off all controls before unplugging.
- Use extra care when cleaning on stairs.
- Do not use to pick up hard or sharp objects such as glass, nails, screws, coins, etc.
- Prevent unintentional starting. Ensure the switch is in the OFF position before connecting to battery pack, picking up or carrying the appliance.
- Recharge only with the charger specified by the manufacturer.
- Do not modify or attempt to repair the appliance or the battery pack.

3. PACKAGE CONTENTS

Carefully unpack your JIMMY JV65 and check that all items are present. If any items are missing or damaged, contact your retailer immediately.

- Main Vacuum Body
- Electric Floorhead
- Electric Mattress Head
- 2-in-1 Crevice Tool
- 2-in-1 Upholstery Tool
- Carpet Brush Roll (pre-installed in floorhead or separate)
- Soft Brush
- Stretch Hose
- Metal Tube (Extension Wand)
- Charging Dock
- Power Adaptor
- User Manual

Note: An image showing all included components laid out would typically be placed here for visual confirmation.

4. PRODUCT OVERVIEW

Familiarize yourself with the parts of your JIMMY JV65 vacuum cleaner before assembly and operation.

Main Components:

- **Main Body:** Contains the motor, dust cup, and control panel.
- **Dust Cup:** Collects dust and debris. Features a 0.5L capacity.
- **HEPA Filter:** Advanced filtration system to capture fine dust and allergens.

- **Extension Wand (Metal Tube):** Connects the main body to various cleaning heads for extended reach.
- **Electric Floorhead:** Main cleaning head for floors, featuring a motorized brush roll.
- **Battery Pack:** Rechargeable Lithium-Ion battery providing up to 70 minutes of runtime.

Attachments:

- **Electric Mattress Head:** Designed for deep cleaning mattresses and upholstery.
- **2-in-1 Crevice Tool:** For narrow gaps and edges. Can be used as a brush or a nozzle.
- **2-in-1 Upholstery Tool:** For cleaning fabric surfaces. Can be used as a brush or a wide nozzle.
- **Soft Brush:** Ideal for delicate surfaces like keyboards or car interiors.
- **Stretch Hose:** Provides flexibility and extended reach for cleaning awkward areas.

Note: A detailed diagram illustrating each part and its name would typically be included here.

5. ASSEMBLY AND SETUP

5.1 Initial Charging

1. Connect the power adaptor to the charging dock.
2. Plug the power adaptor into a wall outlet.
3. Place the main vacuum body onto the charging dock. Ensure it is securely seated.
4. Allow the vacuum to charge completely before first use. The charging indicator lights will show the charging status. A full charge can take approximately 4-5 hours.

Note: An image demonstrating how to connect the charger and place the vacuum on the dock would be helpful here.

5.2 Assembling the Vacuum

1. **Attach the Extension Wand:** Insert the metal tube (extension wand) into the main vacuum body until it clicks into place.
2. **Attach a Cleaning Head:** Select the desired cleaning head (e.g., electric floorhead) and insert it onto the other end of the extension wand until it clicks. For handheld use, attach accessories directly to the main body.
3. **Check Filter Installation:** Ensure the HEPA filter and dust cup components are correctly assembled inside the main body. Refer to the 'Maintenance' section for details on filter assembly.

Note: Images showing the connection points for the extension wand and cleaning heads would be beneficial.

6. OPERATING INSTRUCTIONS

6.1 Powering On/Off and Suction Modes

1. **Power On:** Press the power button located on the main body to turn on the vacuum. It will start in the default suction mode.
2. **Adjust Suction:** Press the mode button (usually adjacent to the power button) to cycle through different suction power levels. The JIMMY JV65 offers multiple power levels, with a maximum of 145AW suction power.
3. **Power Off:** Press the power button again to turn off the vacuum.

6.2 Using Different Attachments

- **Electric Floorhead:** Best for hard floors and carpets. The innovative combing structure helps prevent hair tangling on the brush roll.
- **Electric Mattress Head:** Attach directly to the main body or extension wand for cleaning beds, sofas, and other fabric surfaces.
- **2-in-1 Crevice Tool & Upholstery Tool:** Use for cleaning tight spaces, corners, curtains, or car interiors.
- **Soft Brush & Stretch Hose:** Combine these for delicate surfaces or reaching high/awkward areas.

6.3 Vacuuming and Mopping (if applicable)

The JIMMY JV65 integrates vacuuming and mopping functions. If your model includes the mop attachment, fill the water tank and attach the mop pad. The vacuum will clean and mop simultaneously,

saving time.

Note: A video demonstrating the vacuum in operation with various attachments, including the mopping function, would be useful here. No official product videos are available in the provided data.

7. MAINTENANCE

Regular maintenance ensures optimal performance and extends the lifespan of your JIMMY JV65 vacuum cleaner.

7.1 Emptying the Dust Cup

1. Ensure the vacuum is turned off.
2. Press the dust cup release button to detach the dust cup from the main body.
3. Hold the dust cup over a trash bin and press the bottom release latch to open the dust cup and empty its contents.
4. Close the dust cup bottom and reattach it to the main body until it clicks.

Note: Images illustrating the dust cup removal and emptying process would be beneficial.

7.2 Cleaning the Filters

The HEPA filter and other filter components should be cleaned regularly, ideally after every 3-5 uses, or when suction power noticeably decreases.

1. Remove the dust cup as described above.
2. Twist and pull out the filter assembly from inside the dust cup.
3. Separate the HEPA filter from the other filter components.
4. Tap the filters gently over a trash bin to remove loose dust.
5. Rinse the HEPA filter and other washable filter components under running water until the water runs clear. **Do not use detergent.**
6. Allow all filter components to air dry completely for at least 24 hours before reassembling. Ensure they are **completely dry** to prevent damage to the motor.
7. Reassemble the filters and place them back into the dust cup, then reattach the dust cup to the main body.

Note: Images showing how to remove, clean, and reassemble the filters are crucial for this section.

7.3 Cleaning the Brush Roll

Periodically check the brush roll in the electric floorhead for tangled hair or debris.

1. Turn off the vacuum and detach the electric floorhead.
2. Locate the brush roll release latch or cover on the side of the floorhead. Open it to remove the brush roll.
3. Use scissors or a cleaning tool to cut and remove any tangled hair or fibers from the brush roll.
4. Clean any debris from the brush roll housing.
5. Reinsert the brush roll and secure the cover/latch.

Note: Images demonstrating brush roll removal and cleaning would greatly assist users.

8. TROUBLESHOOTING

If you encounter issues with your JIMMY JV65, refer to the following table for common problems and solutions.

Problem	Possible Cause	Solution
Vacuum does not turn on	Battery is depleted Power button not pressed correctly	Charge the battery fully Ensure the power button is pressed firmly
Reduced suction power	Dust cup is full Filter is clogged Brush roll is tangled Hose/nozzle is blocked	Empty the dust cup Clean or replace the filters Clean the brush roll Check and clear any blockages in the hose or attachments

Problem	Possible Cause	Solution
Brush roll not spinning	Brush roll is tangled Floorhead is blocked Floorhead not properly attached	Clean the brush roll Remove any obstructions from the floorhead Ensure the floorhead is securely attached to the wand/main body
Battery not charging	Power adaptor not connected Charging dock not properly connected Faulty power outlet	Ensure power adaptor is securely plugged in Check connection to charging dock Try a different power outlet
Vacuum stops during use	Battery is depleted Overheating protection activated	Recharge the battery Turn off the vacuum, allow it to cool down for at least 30 minutes, then resume use. Check for blockages.

9. SPECIFICATIONS

Feature	Specification
Model	JV65
Brand	JIMMY
Motor	Digital Motor, 100,000rpm
Suction Power	Up to 145AW
Rated Power	500W
Voltage	28.8 Volts
Battery Type	Lithium-Ion
Runtime	Up to 70 minutes (in economy mode)
Dust Cup Capacity	0.5 Liters
Filter Type	HEPA
Item Weight	3.3 Kilograms
Noise Level	68 Decibels
Dimensions (L x W x H)	32.5L x 13.5W x 63H centimetres
Recommended Use	Deep Surface Cleaning & Allergen Relief
Surface Recommendation	All floors

10. WARRANTY AND SUPPORT

The JIMMY JV65 Cordless Handheld Vacuum Cleaner comes with a standard manufacturer's warranty. Please refer to the warranty card included in your package for specific terms and conditions, including warranty period and coverage details.

For technical support, service, or to inquire about replacement parts, please contact your local retailer or the official JIMMY customer service. Contact information can typically be found on the product packaging or the official JIMMY website.

Please retain your proof of purchase for warranty claims.
