Lazartigue La Couleur Absolue Permanent Hair Color Kit - 1.00 Intense Black Instruction Manual

Model: 3372290180920

1. PRODUCT OVERVIEW

The Lazartigue La Couleur Absolue Permanent Hair Color Kit in 1.00 Intense Black is an ammonia-free, vegan hair coloring solution. It is formulated with botanical extracts such as rice milk and meadowsweet oil to provide intense, vibrant, and long-lasting color, ensuring 100% gray coverage. This product is designed to nourish hair during the coloring process, resulting in a soft, smooth finish and luminous, natural-looking results.

2. IMPORTANT SAFETY INFORMATION

Allergy Alert: Hair colorants can cause severe allergic reactions. It is mandatory to perform an allergy patch test 48 hours before each use of this product, even if you have previously used coloring products. Failure to do so may result in serious injury.

- Do not use if you have a rash on your face or a sensitive, irritated, or damaged scalp.
- Do not use if you have experienced a reaction to a temporary "black henna" tattoo in the past.
- Avoid contact with eyes. If contact occurs, rinse immediately with water.
- Wear the provided gloves throughout the application process.
- Keep out of reach of children.
- This product is free from Ammonia, PPD (Paraphenylenediamine), Resorcinol, Mineral Oils, and Silicone. However, other ingredients may still cause allergic reactions in sensitive individuals.

**FREE FROM:
Ammonia, PPD,
Resorcinol, Mineral Oils
and Silicone**

3. KIT CONTENTS

Each Lazartigue La Couleur Absolue Permanent Hair Color Kit contains the following components:

- **Professional Pre-Color Protecting Serum:** To prepare and protect hair before coloring.
- **Professional Developing Milk:** Activator for the coloring cream.
- **Professional Nourishing Coloring Cream:** The permanent hair colorant.
- **Professional Nourishing Mask:** For post-coloring care.
- One pair of protective gloves.

DIRECTIONS

1
Apply the protecting serum

2
Mix the colorant cream with the developing milk

3
Apply the mixture to the hair.

4
Distribute the mixture over the hair

5
Wait for 35 minutes, then gently rinse

6
Apply the hair mask to the hair

Instruction leaflet included. Consider carrying out an allergy test on the skin, 48 hours before each use

Image 3.1: The complete kit contents, including the pre-color serum, developing milk, coloring cream, and nourishing mask, laid out for clear identification.

4. APPLICATION INSTRUCTIONS

4.1. Preparation (Setup)

1. Perform the allergy patch test 48 hours prior to application as described in Section 2.
2. Ensure your hair is dry and unwashed.
3. Put on the protective gloves.
4. Apply the Professional Pre-Color Protecting Serum evenly to dry hair, focusing on the ends and damaged areas. Do not rinse.
5. Open the Professional Developing Milk bottle. Carefully pierce the seal of the Professional Nourishing Coloring Cream tube.
6. Squeeze the entire contents of the Coloring Cream into the Developing Milk bottle.
7. Close the Developing Milk bottle securely and shake vigorously for 30 seconds until the mixture is uniform.

4.2. Application (Operating)

Follow these steps for optimal results:

1. **Apply the Protecting Serum:** Distribute the pre-color serum through your hair.
2. **Mix Colorant and Developer:** Combine the coloring cream with the developing milk in the applicator bottle and shake well.
3. **Apply the Mixture to the Hair:** Immediately after mixing, apply the hair color mixture to the roots first, then distribute through the lengths of your hair.
4. **Distribute Over Hair:** Ensure even distribution of the mixture throughout all sections of your hair.
5. **Processing Time:** Allow the color to develop for 35 minutes. For touch-ups, apply to roots for 25 minutes, then distribute through lengths for an additional 10 minutes.
6. **Rinse:** After the processing time, gently rinse your hair with lukewarm water until the water runs clear.
7. **Apply Hair Mask:** Apply the Professional Nourishing Mask to your hair, leave on for 3-5 minutes, then rinse thoroughly.

100%

**GREY HAIR
COVERAGE
FROM FIRST
APPLICATION**

Image 4.2: This image demonstrates the product's effectiveness in providing 100% grey hair coverage from the first application, showing a clear difference in hair roots.

5. POST-APPLICATION CARE (MAINTENANCE)

To maintain the vibrancy and health of your colored hair, consider the following:

- Use shampoos and conditioners specifically designed for color-treated hair.
- Limit washing frequency to preserve color.
- Protect your hair from excessive sun exposure and chlorine, which can fade color.
- Regularly use nourishing hair masks or treatments to keep hair hydrated and healthy.

CLEAN & GREEN

We work in partnership with nature.

Our packagings are eco-friendly: our cardboard boxes, plastic bottles and jars are 100% recycled and recyclable.

Vegetable ink: all inks used on our cases and bottles are from vegetal origin and biodegradable.

Image 5.1: Lazartigue Colour Protect shampoo and Huile des Reves oil, recommended for maintaining colored hair and providing nourishment.

6. TROUBLESHOOTING

- **Incomplete Grey Coverage:** Ensure the product was applied evenly and left on for the full recommended processing time. For stubborn grey areas, ensure sufficient product saturation.
- **Allergic Reaction (Itching, Burning, Redness):** If you experience any discomfort during or after application, rinse immediately and consult a medical professional. This emphasizes the importance of the 48-hour patch test.
- **Color Fading Quickly:** Hair color longevity can be affected by hair porosity, washing frequency, and exposure to harsh elements. Ensure proper post-application care as described in Section 5.
- **Uneven Color:** This can occur if the product was not distributed uniformly. Ensure thorough saturation of all hair sections during application.

7. SPECIFICATIONS

Feature	Detail
