

Newline TT-6519RS

Newline 65" 4K Touch Screen Display Interactive RS+ Series User Manual

Model: TT-6519RS

1. INTRODUCTION

This manual provides comprehensive instructions for the installation, operation, and maintenance of your Newline 65" 4K Touch Screen Display Interactive RS+ Series. Please read this manual thoroughly before using the product to ensure proper function and safety. Keep this manual for future reference.

The Newline RS+ Series is an interactive display designed for collaborative environments, featuring a stunning 4K resolution, advanced touch capabilities, and an embedded Android operating system.

Image: Newline 65" 4K Touch Screen Display. This image shows the front of the interactive display, featuring a large screen displaying a high-resolution image of a mountain lake at sunrise, demonstrating its visual capabilities.

2. SAFETY INFORMATION

Observe the following safety precautions to prevent damage to the product and ensure user safety:

- Do not expose the display to rain, moisture, or extreme temperatures.
- Ensure proper ventilation around the display to prevent overheating.
- Only use the power adapter supplied with the unit.
- Avoid placing heavy objects on the display or power cord.
- Disconnect the power cord before cleaning or performing maintenance.
- Refer all servicing to qualified service personnel.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- Newline 65" 4K Touch Screen Display
- Stand (if included in your specific package)
- Power Cable
- Stylus (if included)
- Remote Control (if included)
- User Manual (this document)

Note: Specific accessories may vary by region or package.

4. SETUP

4.1 Physical Installation

The Newline RS+ Series display can be installed using a wall mount or a compatible stand. Ensure the mounting surface or stand can support the display's weight (approximately 154 pounds).

For wall mounting, refer to the wall mount kit's instructions. The display features standard VESA mounting points on the rear panel.

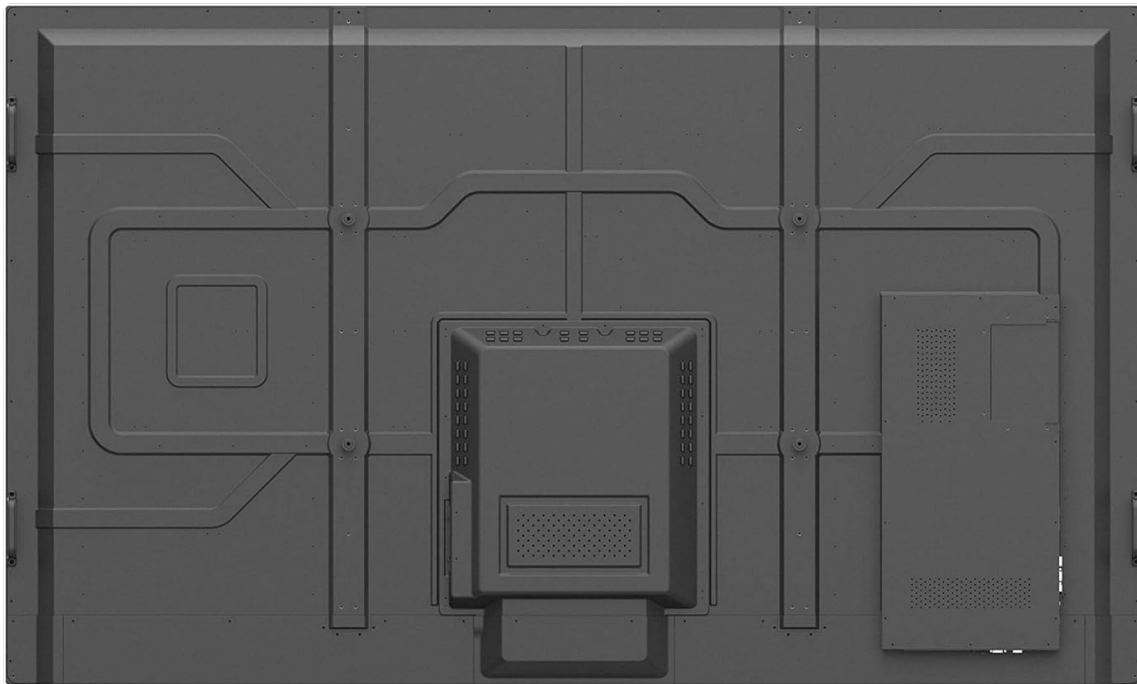

Image: Rear view of the Newline 65-inch interactive display. This image illustrates the back panel of the display, highlighting the VESA mounting holes for wall installation and areas for cable routing.

4.2 Connecting Peripherals

Connect necessary devices such as computers, external storage, or audio systems to the display's ports. The display includes various input/output options.

Image: Front control panel and ports. This image provides a detailed view of the control panel located at the bottom front of the display, showing buttons for power, home, return, menu, volume control, and accessible ports like USB 2.0, USB Touch, HDMI, and a microphone input.

- **HDMI:** Connect external video sources (e.g., laptop, media player).

- **USB 2.0:** For connecting USB devices like flash drives or keyboards.
- **USB Touch:** Connect to a computer to enable touch functionality for the external source.
- **MIC:** For connecting an external microphone.
- **Power:** Connect the power cable to the display and a grounded electrical outlet.

4.3 Initial Power On

1. Ensure all cables are securely connected.
2. Press the power button located on the front control panel.
3. The display will boot up, showing the Newline logo and then the main interface.

5. OPERATING INSTRUCTIONS

5.1 Basic Navigation and Interface

The Newline RS+ Series operates on an embedded Android 8.0 OS, providing a user-friendly interface. Navigate using touch gestures or a connected mouse/keyboard.

Image: Main interface of the Newline display. This image displays the home screen of the interactive display, featuring a clock, date, and various application icons such as Built-in PC, Screen Sharing, Discussion, Browser, File viewer, and Gadget. It also shows input source options like HDMI 1, HDMI 2, HDMI 3, DisplayPort, and HDMI Front.

- **Home Button:** Returns to the main interface.
- **Return Button:** Goes back to the previous screen.
- **Menu Button:** Accesses settings or contextual options.
- **Volume Controls:** Adjusts audio output.

5.2 Key Features

- **4K Display:** Experience ultra-high-definition visuals. The 3840x2160 resolution ensures crisp images and clear text for presentations and content sharing.
- **Seamless Wireless Casting:** Utilize the built-in Newline Cast app to wirelessly share content from your

personal devices. The system supports iOS, Windows, and Android devices, allowing for easy screen mirroring without cables.

- **Superior IR Intelligent Touch:** The display features advanced infrared touch technology with object recognition. It differentiates between a finger, a stylus, and a palm, allowing for intuitive actions such as writing with a pen, drawing with a finger, or erasing with a palm.
- **Impressive Embedded OS:** Powered by Android 8.0, the display offers a responsive and efficient operating experience. Enhanced RAM and a powerful CPU contribute to smooth performance and quick application loading.

6. MAINTENANCE

- **Cleaning the Screen:** Use a soft, lint-free cloth slightly dampened with a non-abrasive, screen-safe cleaner. Do not spray cleaner directly onto the screen.
- **Cleaning the Casing:** Wipe the casing with a soft, dry cloth. Avoid harsh chemicals.
- **Ventilation:** Ensure ventilation openings are clear of dust and obstructions to prevent overheating.
- **Software Updates:** Periodically check for and install system software updates to ensure optimal performance and security.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
No power	Power cable disconnected; power outlet fault	Check power cable connection; try a different outlet.
No image on screen	Incorrect input source selected; external device off/disconnected	Verify input source; ensure external device is on and connected.
Touch function not working	USB Touch cable not connected; driver issue (for external PC)	Connect USB Touch cable; install necessary drivers on the connected PC.
Wireless casting issues	Network connectivity problems; device compatibility	Ensure both devices are on the same network; check device compatibility with Newline Cast.

8. SPECIFICATIONS

Feature	Detail
Model Name	TT-6519RS (RS+)
Brand	Newline
Screen Size	65 Inches
Resolution	4K (3840x2160)
Display Technology	LCD
Special Feature	Touchscreen, Interactive

Feature	Detail
Connectivity Technology	Wi-Fi
Aspect Ratio	16:9
Product Dimensions	3.9 x 60.79 x 36.97 inches
Item Weight	154 pounds
Manufacturer	Newline Interactive
Embedded OS	Android 8.0
Mounting Type	Wall Mount
Included Components	Stand, TV (Display)

9. WARRANTY AND SUPPORT

For warranty information and technical support, please refer to the official Newline Interactive website or contact their customer service department. Keep your purchase receipt as proof of purchase for warranty claims.

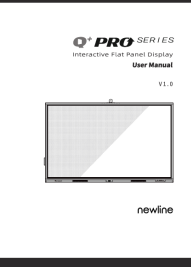

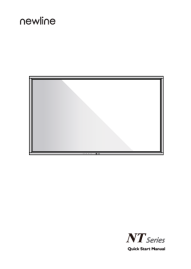

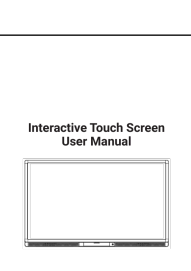

Manufacturer: Newline Interactive

Note: Warranty terms and conditions may vary by region and retailer.
