## Sunjoy SUNJOY

# SUNJOY 11x11 ft. Pop-Up Instant Gazebo User Manual

Model: SUNJOY | Brand: Sunjoy

## 1. INTRODUCTION

---

This manual provides essential information for the safe and effective use of your Sunjoy 11x11 ft. Pop-Up Instant Gazebo. Please read these instructions thoroughly before assembly and operation to ensure proper setup and longevity of your product.

Figure 1: The Sunjoy 11x11 ft. Pop-Up Instant Gazebo in a typical outdoor setting.

### Key Features:

- **Ventilated 2-Tier Top:** Designed to provide protection from harmful UV rays while facilitating air circulation for a comfortable environment.
- **Powder-Coated Steel Frame:** Durable and lightweight steel frame for long-lasting outdoor use, featuring a pop-up design for quick setup and takedown.
- **Quality Zippered Mesh Sidewalls:** Removable mesh netting to keep insects out while maintaining an unobstructed view.
- **Flexible Enclosure Modes:** Offers fully open, closed, or half-open configurations to adapt to various outdoor needs.
- **Easy Portability:** Lightweight design for convenient transport and setup in different locations.

## 2. SAFETY INFORMATION

---

Adherence to the following safety guidelines is crucial for preventing injury and damage to the gazebo.

- **WARNING:** Always properly anchor the gazebo to the ground for stability and security, especially in windy conditions. Failure to do so may result in property damage or personal injury.
- Do not use the gazebo during severe weather conditions, including heavy winds, rain, or snow. Disassemble and store the gazebo in such conditions.
- Ensure all frame connections are securely locked before use.
- Keep all flame and heat sources away from the gazebo fabric.
- Supervise children around the gazebo to prevent accidents.
- Do not hang heavy objects from the frame.

### 3. SETUP INSTRUCTIONS

---

Assembly is best performed with at least two people. Ensure you have adequate space for setup.

#### 3.1 Unpacking and Component Identification

Carefully remove all components from the packaging. Verify that all parts are present according to the packing list (not provided in this manual, refer to your product's specific packing list). The main components include the pop-up steel frame, the 2-tier canopy top, mesh sidewalls, and an anchoring kit.

*Figure 2: The gazebo folded for transport and storage.*

### **3.2 Frame Assembly**

1. Place the folded frame in the desired setup location.
2. With a person at each corner, gently pull the frame outwards, partially extending it.
3. Unfold the canopy top and drape it over the partially extended frame. Ensure the 2-tier top is correctly oriented.
4. Continue to pull the frame outwards until it is fully extended. The legs should click into place.
5. Secure the canopy to the frame using the attached hook-and-loop fasteners or ties.

## POWDER-COATED STEEL FRAME

Frame parts manufactured with durable, lightweight, steel are designed for long last use. The pop-up frame design makes set up and tear down a snap.

*Figure 3: Detail of the powder-coated steel frame structure.*

## VENTILATED 2-TIER TOP

The ventilated 2-tier steel top provides safety from harmful UV rays while allowing wind to pass through freely, facilitating air circulation.

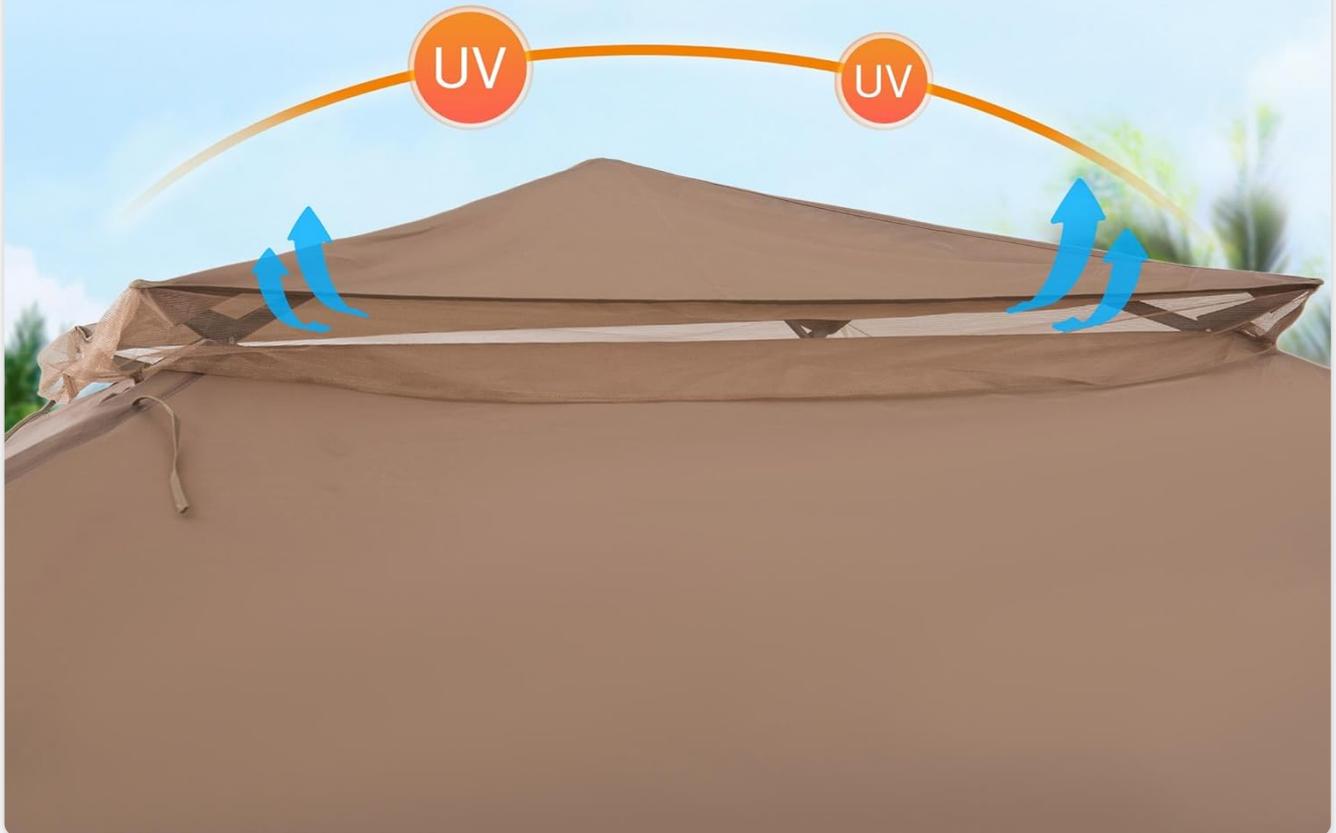

Figure 4: The ventilated 2-tier top design for airflow and UV protection.

### 3.3 Mesh Sidewall Installation

1. Attach the mesh sidewalls to the gazebo frame using the integrated zippers and ties.
2. Ensure all zippers are aligned and fully closed to create a seamless enclosure.

## QUALITY ZIPPERED MESH SIDEWALLS

*Figure 5: Details of the zippered mesh sidewalls for insect protection.*

### 3.4 Anchoring the Gazebo

The included anchoring kit is designed for lawn surfaces. For wood or concrete surfaces, appropriate hardware (not included) must be used.

1. Once the gazebo is fully assembled and positioned, use the provided stakes to secure each leg to the ground.
2. For additional stability, utilize guy ropes (if included) and additional stakes to secure the canopy corners.

## 4. OPERATING THE GAZEBO

---

Your Sunjoy gazebo offers versatile configurations to suit your outdoor needs.

### Flexible Enclosure Modes:

- **Fully Open:** For maximum sunlight and an unobstructed view, simply tie back the mesh sidewalls to the gazebo legs.
- **Closed:** To create a bug-free private space, fully zip all mesh sidewalls.
- **Half-Open:** Adjust the zippers on the mesh sidewalls to balance privacy and airflow as desired.

The 2-tier canopy design promotes airflow and provides shade, enhancing comfort during outdoor activities.

## 5. MAINTENANCE

---

Regular maintenance will extend the life of your gazebo.

- **Cleaning:** Clean the canopy and mesh sidewalls with mild soap and water. Do not use harsh chemicals or abrasive cleaners. Rinse thoroughly and allow to air dry completely before storage.
- **Frame Care:** Inspect the steel frame periodically for any signs of rust or damage. Clean and touch up any scratches on the powder-coated finish to prevent corrosion.
- **Storage:** When not in use for extended periods or during inclement weather, disassemble the gazebo and store it in a dry, protected area. Ensure the fabric is completely dry to prevent mold and mildew.

## 6. TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Gazebo is unstable or sways in wind.	Improper anchoring; strong winds.	Ensure all legs are securely anchored to the ground using the provided stakes or appropriate hardware. Disassemble in strong winds.
Canopy sags or collects water.	Canopy not fully extended or secured; improper tension.	Ensure the frame is fully extended and locked. Adjust canopy tension by re-securing all attachment points. Clear any accumulated water promptly.
Parts do not fit together during assembly.	Misalignment; manufacturing defect.	Double-check part orientation and alignment. Do not force parts. If a part appears defective, contact Sunjoy customer support.
Mesh sidewalls do not close properly.	Zippers misaligned or snagged; fabric tension.	Ensure the gazebo frame is fully extended and square. Carefully align zippers and clear any obstructions.

## 7. SPECIFICATIONS

---

# DIMENSIONS

Figure 7: Product dimensions in centimeters and inches.

Attribute	Detail
Brand	Sunjoy
Model Number	SUNJOY
Material	Alloy Steel (Frame), Polyester (Canopy/Netting)
Style	Portable
Product Dimensions (L x W x H)	129.9"L x 129.9"W x 111"H (approx. 330cm x 330cm x 282cm)
Item Weight	35.3 Pounds (approx. 16 kg)
Water Resistance Level	Water Resistant

Attribute	Detail
Shape	Square
UV Protection	Yes
Assembly Required	Yes
Color	Khaki
UPC	841057165515

## 8. WARRANTY AND SUPPORT

For warranty information, product support, or to order replacement parts, please contact Sunjoy customer service directly. Refer to the contact information provided with your product packaging or visit the official Sunjoy website.

Sunjoy has over 24 years of experience in the gazebo industry, committed to quality and innovation.
