## 4. SETUP AND INSTALLATION

Proper installation is crucial for the optimal performance of your car stereo. It is recommended that installation be performed by a qualified professional. If you choose to install it yourself, please follow these general guidelines and consult the full user manual for detailed instructions and wiring diagrams.

### 4.1 Wiring Connections

Ensure all wiring connections are secure and correctly matched to your vehicle's electrical system. Incorrect wiring can cause damage to the unit or your vehicle.

You can control your receiver via Bluetooth using the J-Link App.

Change the settings, song, station, and volume directly from your smartphone.

## 4.2 Mounting

The MPR210 is a Single DIN unit. Use the provided mounting sleeve and hardware to secure the unit firmly into your vehicle's dashboard opening.

## 5. OPERATING INSTRUCTIONS

### 5.1 Basic Controls

- **Power On/Off:** Press the **Power/Mode** button.
- **Volume Control:** Rotate the central knob to adjust volume.
- **Mode Selection:** Press the **MODE** button to cycle through available sources (AM/FM, Bluetooth Audio, USB, AUX).

### 5.2 Radio Operation (AM/FM)

- **Band Selection:** Press the **BAND/DISP** button to switch between FM1, FM2, FM3, AM1, and AM2.
- **Tuning:** Use the **Seek Up/Down** buttons to automatically search for strong stations.
- **Preset Stations:** Store and recall up to 30 stations (18 FM, 12 AM) using the numbered preset buttons (1-6).

### 5.3 Bluetooth Operation

The MPR210 supports Bluetooth for hands-free calling and audio streaming.

- **Pairing:** Enable Bluetooth on your mobile device and search for "JENSEN MPR210". Select it to pair.
- **Hands-Free Calling:** Answer, end, or reject calls using the dedicated phone buttons on the unit.

- **Audio Streaming:** Play music from your paired device. Use the unit's controls for play/pause, track forward/backward.

## 5.4 USB Playback

Connect a USB flash drive to the front USB port for MP3/WMA audio playback. The port also provides 1A charging for compatible devices.

## 5.5 Auxiliary Input

Connect external audio devices (e.g., MP3 players) to the front 3.5mm AUX input using a standard audio cable.

## 5.6 Voice Assistant

Press the **Voice Assist** button to activate your smartphone's voice assistant (Siri or Google Assistant) for commands like navigation, music playback, or making calls.

## 5.7 Audio Settings

Access the audio menu by pressing the **AUDIO/MENU** button. Adjust bass, treble, balance, fader, and select from preset EQ curves (Pop, Jazz, Rock, Flat).

## 5.8 J-Link App Control

Download the J-Link App to control your receiver via Bluetooth from your smartphone. This allows you to change settings, songs, stations, and volume directly from your device.

## 6. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the unit's front panel. Avoid abrasive cleaners or solvents.
- **Fuse Replacement:** If the unit does not power on, check the in-line fuse on the wiring harness. Replace with a fuse of the same type and rating (10A).

## 7. TROUBLESHOOTING

If you encounter issues with your MPR210, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No Power	Blown fuse; incorrect wiring; vehicle ignition off.	Check/replace fuse; verify wiring connections; turn vehicle ignition on.
No Sound	Volume too low; mute activated; speaker wiring incorrect.	Increase volume; deactivate mute; check speaker connections.
Bluetooth Not Connecting	Bluetooth not enabled on device; unit not in pairing mode; interference.	Ensure Bluetooth is on; put unit in pairing mode; move closer to unit.
USB Playback Issues	Unsupported file format; damaged USB device.	Ensure files are MP3/WMA; try a different USB device.

For more complex issues, consult the full user manual or contact Jensen customer support.
