## Unknown 3-Piece Double Glider Rocker Set

# Outdoor Sling Fabric 3-Piece Double Glider Rocker Chairs with Table Set

Brand: Unknown

## INTRODUCTION

This manual provides essential information for the safe and effective use of your new Outdoor Sling Fabric 3-Piece Double Glider Rocker Chairs with Table Set. This set includes two glider chairs and one elevated side table, designed for outdoor use. It features ventilating mesh sling fabric, a durable steel metal frame, curved armrests, and a high back. The weather-resistant material and lightweight design make it suitable for various outdoor environments.

Please read all instructions carefully before assembly and use to ensure proper setup and to maximize the lifespan of your furniture.

## SETUP

Simple assembly is required for this furniture set. While specific diagrams are not provided in this manual, the general steps below will guide you through the process.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify that all components listed in the product's packing list are present.
- 2. Identify Parts:** Familiarize yourself with the different parts, such as chair frames, seat and back fabric sections, table components, and hardware (screws, bolts, washers, nuts).
- 3. Assemble Chairs:** Begin by attaching the seat and back fabric sections to the chair frames. Ensure all connections are secure but do not fully tighten fasteners until all parts are aligned.
- 4. Assemble Table:** Connect the table top to its support legs or frame.
- 5. Connect Chairs and Table:** Attach the assembled chairs to the central table unit, following the design of the 3-piece set.
- 6. Tighten All Fasteners:** Once all components are loosely assembled and aligned, systematically tighten all screws and bolts. Do not overtighten, as this can strip threads or damage components.

7. **Test Stability:** Before use, gently rock and apply pressure to the chairs and table to ensure they are stable and all connections are secure.

Image: The complete 3-piece glider set, featuring two chairs and a central table, positioned on a wooden deck with a scenic ocean background. The chairs are grey sling fabric with brown metal frames.

## OPERATING INSTRUCTIONS

This furniture set is designed for comfortable outdoor relaxation.

- **Seating:** The chairs are designed for single-person use. Sit gently into the chair, ensuring your weight is evenly distributed. The weight capacity per chair is 350 lbs.
- **Gliding Motion:** The chairs feature a smooth gliding mechanism. To initiate gliding, gently push off with your feet. Avoid excessive force or sudden movements to prevent damage to the mechanism.
- **Using the Table:** The elevated side table is suitable for holding beverages, books, or small personal items. The weight capacity for the table is 33 lbs. Do not place heavy objects on the table or use it as a step.

- **Placement:** Position the set on a flat, stable surface. While weather-resistant, consider placing it under an awning or cover during extreme weather conditions to prolong its life.

## MAINTENANCE

Proper care will help maintain the appearance and functionality of your outdoor furniture set.

- **Regular Cleaning:** The product care instructions recommend to "Wipe Clean". Use a soft cloth dampened with mild soap and water to clean the sling fabric and metal frame. Rinse thoroughly with clean water and allow to air dry completely.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, bleach, or strong detergents, as these can damage the fabric or finish of the metal frame.
- **Fabric Care:** For stubborn stains on the sling fabric, a soft brush can be used gently with the mild soap solution. Ensure the fabric is completely dry before storing or covering to prevent mildew.
- **Metal Frame Care:** Inspect the metal frame periodically for any signs of rust or wear. Touch up any scratches with appropriate outdoor metal paint to prevent rust.
- **Winter Storage:** During off-season or prolonged periods of non-use, especially in harsh weather conditions, it is recommended to store the furniture indoors or cover it with a waterproof outdoor furniture cover.

## TROUBLESHOOTING

If you encounter any issues with your glider set, consider the following common solutions:

- **Wobbling or Instability:** Ensure all assembly bolts and screws are securely tightened. Check that the furniture is placed on a flat, even surface.
- **Squeaking During Gliding:** Apply a silicone-based lubricant to the gliding mechanisms. Avoid oil-based lubricants that can attract dirt.
- **Stains on Fabric:** Refer to the cleaning instructions in the Maintenance section. For tough stains, a specialized outdoor fabric cleaner may be used, following the product's instructions carefully.

- **Rust Spots:** If minor rust spots appear on the metal frame, clean the area thoroughly and apply a rust-inhibiting primer followed by outdoor-grade paint.

## SPECIFICATIONS

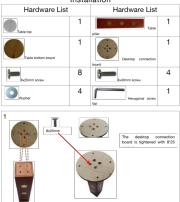

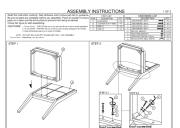

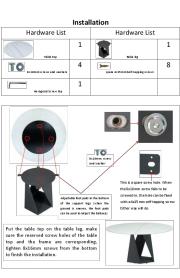

Feature	Detail
Product Size (Overall)	76.75 In. (L) x 34.75 In. (W) x 36.25 In. (H)
Chair Type	Gliders
