## OPERATING INSTRUCTIONS

---

### Lighted Mirror Operation

The vanity features a touch-screen dimming mirror with integrated LED lamps. These lamps can switch between natural light, warm light, and cold light, allowing you to choose the ideal lighting for different scenes and makeup applications.

- **Changing Light Modes:** By touching the sensor switch on the bottom of the mirror, you can cycle through 3 different lighting modes.
- **Adjusting Brightness:** Long press the sensor switch to adjust the light brightness within the selected mode.
- **Turning Off:** Touch the sensor switch a fourth time to turn off the mirror lights.
