

Baseus Encok W07

Baseus W07 TWS Wireless Bluetooth Earphones User Manual

Model: Encok W07

INTRODUCTION

Thank you for choosing the Baseus W07 TWS Wireless Bluetooth Earphones. This manual provides detailed instructions on how to set up, operate, and maintain your earphones to ensure optimal performance and longevity. Please read this manual thoroughly before using the product.

SAFETY INFORMATION

- Do not expose the earphones or charging case to extreme temperatures, humidity, or liquids.
- Avoid dropping, impacting, or disassembling the device.
- Keep out of reach of children and pets.
- Use only the provided or certified charging cables and adapters.
- Prolonged exposure to loud sounds may cause hearing damage. Adjust volume to a safe level.

PACKAGE CONTENTS

Please check the package for the following items:

- Baseus W07 TWS Wireless Earphones (Left and Right)
- Charging Case
- USB Type-C Charging Cable
- User Manual

PRODUCT OVERVIEW

Image: The Baseus W07 TWS Wireless Earphones are shown with their charging case. The case is open, revealing the two earphones nestled inside. One earphone is also shown outside the case, highlighting its design and ear tip.

The Baseus W07 earphones feature an in-ear design for a secure fit and optimal sound delivery. The compact charging case not only protects the earphones but also provides additional battery life on the go. Each earphone is equipped with a microphone for clear calls and supports automatic wear detection.

SETUP

1. Charging the Earphones and Case

1. **Charging Case:** Connect the USB Type-C cable to the charging port on the case and a power source. The charging time for the case is approximately 3 hours.
2. **Earphones:** Place the earphones into the charging case. Ensure they are correctly seated. The earphones will begin charging automatically. The charging time for the earphones is approximately 1.5 hours.
3. The charging case has a capacity of approximately 500mAh, and each earphone has a capacity of 30mAh.

2. Bluetooth Pairing

1. **Initial Pairing:** Open the charging case cover. The earphones will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select "Baseus Encok W07" from the list of found devices to connect.
4. Once connected, a voice prompt will confirm successful pairing.
5. **Automatic Connection:** After initial pairing, the earphones will automatically connect to the last paired device when the charging case cover is opened, provided Bluetooth is enabled on the device.

OPERATING INSTRUCTIONS

Music Playback

- **Play/Pause:** Tap the touch sensor on either earphone once.

- **Next Track:** Double-tap the touch sensor on the right earphone.
- **Previous Track:** Double-tap the touch sensor on the left earphone.

Call Management

- **Answer/End Call:** Tap the touch sensor on either earphone once.
- **Reject Call:** Press and hold the touch sensor on either earphone for 2 seconds.

Automatic Wear Detection

The Baseus W07 earphones feature automatic wear detection. Music playback will automatically pause when an earphone is removed from your ear and resume when it is placed back in.

MAINTENANCE

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earphones and charging case. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earphones in their charging case to protect them and keep them charged. Store in a cool, dry place away from direct sunlight.
- **Battery Care:** To prolong battery life, avoid fully discharging the earphones and charging case frequently. Charge them regularly, even if not in constant use.

TROUBLESHOOTING

Problem	Possible Solution
Earphones do not turn on.	Ensure the earphones and charging case are fully charged.
Cannot pair with device.	Ensure Bluetooth is enabled on your device. Make sure the earphones are in pairing mode (open the case). Forget "Baseus Encok W07" from your device's Bluetooth list and try pairing again. Ensure earphones are within Bluetooth range.
No sound from one earphone.	Place both earphones back into the charging case, close the lid, then open it again. Check device's audio balance settings.
Earphones disconnect frequently.	Ensure there are no obstructions between the earphones and your device. Move closer to your device. Check for interference from other wireless devices.
