A4 N3018

A4 Liga Soccer Jersey Instruction Manual

Model: N3018

PRODUCT OVERVIEW

The A4 Liga Soccer Jersey is engineered for athletic performance and comfort. Crafted from high-quality Bird's Eye Mesh, it promotes air circulation to keep athletes cool during activity. This jersey is designed for long-lasting durability and features properties that aid in moisture management, stain release, and odor resistance.

KEY FEATURES

- **100% Polyester Construction:** Made entirely from polyester, ensuring a warm yet breathable garment that allows for unrestricted mobility during athletic activities.
- **Moisture-Wicking Technology:** Designed to draw moisture away from the body to the fabric's surface for rapid evaporation, helping to keep the wearer cool and dry.
- **Stain-Release Material:** The fabric is treated to facilitate easy removal of stains, dirt, sweat, and blood with a single wash.
- **Odor-Resistant Fabric:** Incorporates odor-resistant properties to combat unpleasant smells, maintaining freshness even after intense use.

- **Double Needle Hem:** Features a twin needle stitch pattern for enhanced durability, designed to withstand rigorous activities.

USAGE GUIDELINES

The A4 Liga Soccer Jersey is designed for comfortable wear during sports and casual activities. It features a pull-on closure type for easy donning. Ensure the correct size is selected for optimal fit and performance. Refer to the size chart in the Specifications section for detailed measurements.

MAINTENANCE AND CARE

To ensure the longevity and performance of your A4 Liga Soccer Jersey, follow these care instructions:

- **Washing:** Machine wash cold with like colors. Do not bleach.
- **Drying:** Tumble dry low or hang dry to preserve fabric integrity and prevent shrinking.
- **Ironing:** Do not iron. The polyester fabric is designed to be wrinkle-resistant.
- **Stain Removal:** Thanks to its stain-release properties, most stains can be removed with a standard machine wash cycle. For stubborn stains, pre-treat as necessary before washing.
- **Odor Control:** The odor-resistant fabric helps minimize smells. For best results, wash promptly after use.

TROUBLESHOOTING

While the A4 Liga Soccer Jersey is designed for durability and ease of care, here are some common considerations:

- **Shrinkage:** The 100% polyester fabric is highly resistant to shrinkage. Ensure proper drying methods (tumble dry low or hang dry) to maintain original fit.
- **Odor Persistence:** If odors persist after washing, ensure the jersey is fully dry before storage. Consider using a sports detergent designed for synthetic fabrics.
- **Stain Persistence:** For very tough stains, a pre-soak or spot treatment before machine washing may be necessary. Avoid using harsh chemicals that could damage the fabric.

SPECIFICATIONS

Attribute	Detail
Item Model Number	N3018
Department	Mens
Date First Available	March 30, 2018
ASIN	B0847PL21L
Fabric Type	100% Polyester
