OPERATING INSTRUCTIONS

This nanoblock model is a static display item and does not require any specific operating procedures. Once assembled, it is ready for display.

MAINTENANCE

- **Cleaning:** To clean the model, gently wipe it with a dry, soft cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the assembled model or loose blocks in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model with care to avoid accidental disassembly, especially with smaller components.

TROUBLESHOOTING

As this is a construction toy, most issues relate to assembly.

- **Missing Pieces:** Carefully check all packaging materials. If pieces are genuinely missing, contact KAWADA

customer support.

- **Difficulty Connecting Blocks:** Ensure blocks are correctly oriented and aligned. Apply firm but gentle pressure.
- **Model Instability:** Re-check previous steps to ensure all connections are secure and blocks are placed according to the instructions.
