# Brookstone Total Comfort Travel Pillow User Manual

---

Model: PL009880TDBRF 004

## 1. PRODUCT OVERVIEW

---

The Brookstone Total Comfort Travel Pillow is designed to provide superior neck and head support during travel. It features charcoal-enriched memory foam for odor control and a contoured shape for comfort, even with headphones.

A black U-shaped Brookstone Total Comfort Travel Pillow with an adjustable cinch strap at the front.

## 2. SETUP

---

1. **Unpacking:** Carefully remove the travel pillow from its packaging.
2. **Initial Inspection:** Inspect the pillow for any signs of damage. If damaged, do not use and contact customer support.
3. **Cover Check:** The pillow comes with a removable, machine washable cover. Ensure it is properly fitted before use.

## 3. OPERATING INSTRUCTIONS

---

To achieve optimal comfort and support, follow these guidelines:

- **Positioning:** Place the U-shaped pillow around your neck with the open end facing forward.

- **Adjusting the Cinch Strap:** Use the adjustable cinch strap at the front to customize the fit around your neck. Tighten or loosen as needed to secure the pillow and prevent your head from falling forward.
- **Headphone Compatibility:** The innovative contour shape is designed to allow space for headphones, ensuring ear comfort during use.
- **Slim Back Design:** The slim back design helps maintain proper neck alignment, reducing the likelihood of neck pain during extended periods of rest.

## 4. MAINTENANCE

---

Proper care ensures the longevity and hygiene of your travel pillow.

- **Removable Cover:** The pillow cover is machine washable. Wash cold on a gentle cycle with similar colors. Tumble dry low. Do not bleach or iron.
- **Memory Foam Core:** The memory foam core itself is **not** washable. Do not submerge the memory foam in water or place it in a washing machine. If the foam becomes soiled, spot clean gently with a damp cloth and mild detergent, then air dry completely away from direct sunlight.
- **Odor Control:** The charcoal-enriched memory foam naturally helps to control odors. Regular washing of the cover will further maintain freshness.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your travel pillow, consider the following:

- **Discomfort:** If the pillow feels uncomfortable, try adjusting the cinch strap to find a more suitable fit. Ensure the pillow is positioned correctly around your neck.
- **Pillow Shifting:** If the pillow shifts during use, tighten the adjustable cinch strap to secure it more firmly.
- **Odor:** While the charcoal helps with odor control, a new pillow may have a slight initial scent. This typically dissipates with airing out. Ensure the cover is regularly washed.

## 6. SPECIFICATIONS

---

Feature	Detail
Brand	Brookstone
Model Name	Total Comfort
Item Model Number	PL009880TDBRF 004
UPC	028332719926
Color	Black
Size	10.5"L x 10"W x 5.5"H (approximate)
