Berkeley CHLOE

Berkeley CHLOE Styling Station Instruction Manual

Model: CHLOE | Brand: Berkeley

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Berkeley CHLOE Styling Station. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of the product. Retain this manual for future reference.

Image 1.1: Front view of the Berkeley CHLOE Styling Station. This image displays the overall design of the styling station, featuring a brown cabinet with a silver top, a lockable drawer, and integrated appliance holders on the right side of the countertop.

2. SAFETY INFORMATION

- Always ensure all components are securely fastened before use.
- Do not overload drawers or cabinets.
- Keep keys for the lockable drawer in a safe place, away from children.
- Avoid placing hot appliances directly on the cabinet surface; use the designated appliance holders.
- This unit is designed for indoor use only.
- Periodically check all screws and connections for tightness.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, contact Berkeley customer support.

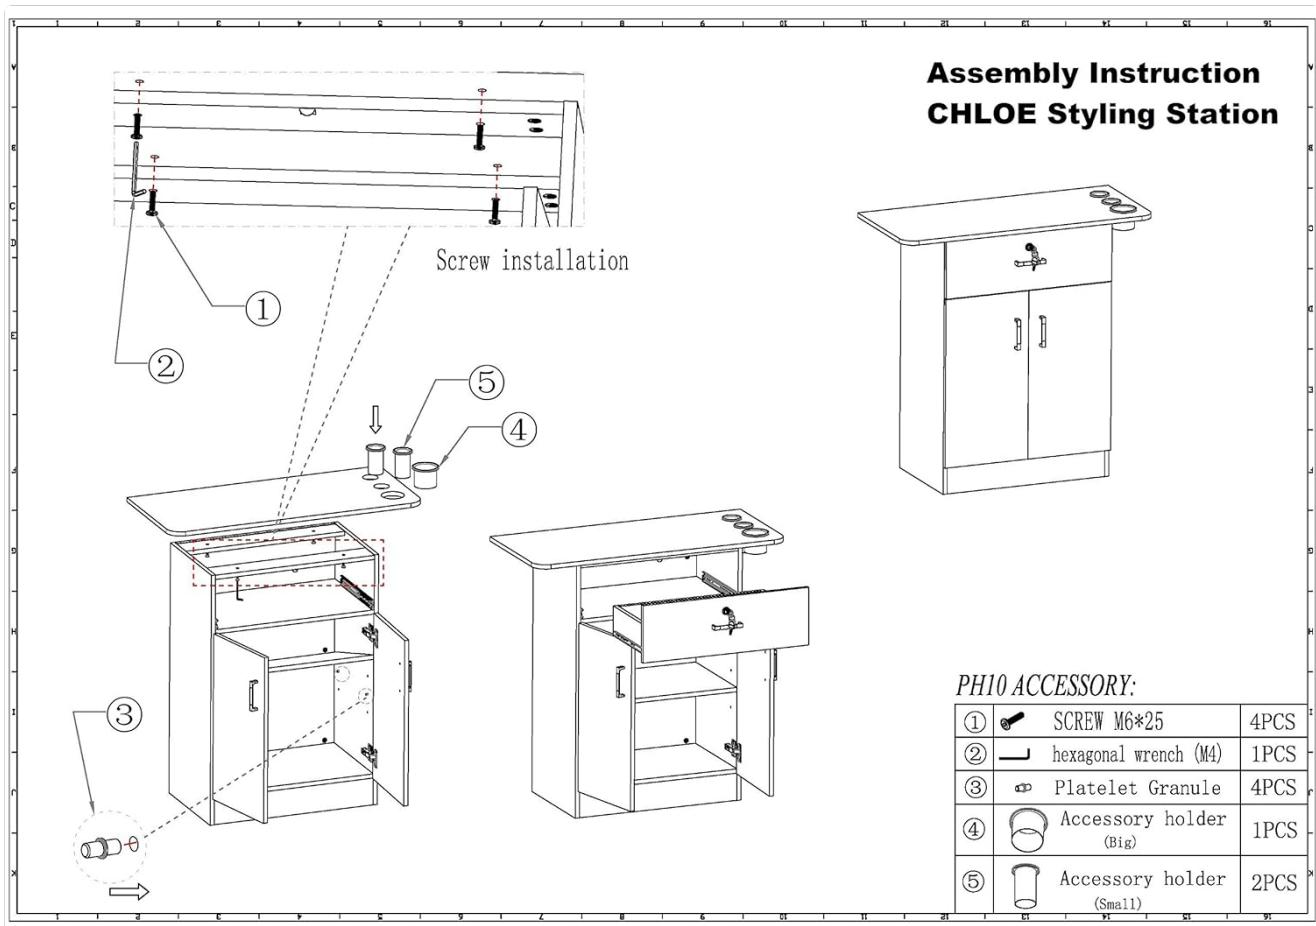

Image 3.1: Assembly instruction diagram for the CHLOE Styling Station. This diagram illustrates the various components and hardware required for assembly, including screws, a hexagonal wrench, platelet granules, and accessory holders.

Included Accessories:

- SCREW M6*25: 4 PCS
- Hexagonal wrench (M4): 1 PCS
- Platelet Granule: 4 PCS
- Accessory holder (Big): 1 PCS
- Accessory holder (Small): 1 PCS

4. SETUP AND ASSEMBLY

Follow these steps carefully to assemble your Berkeley CHLOE Styling Station. Refer to Image 3.1 for visual guidance.

- 1. Prepare Components:** Unpack all components and hardware. Identify the main cabinet body, top panel, drawer, and accessory holders.
- 2. Install Top Panel:** Align the top panel with the main cabinet body. Secure the top panel using the provided SCREW M6*25 (labeled as '1' in Image 3.1) into the designated holes. Ensure the screws are tightened with the hexagonal wrench (labeled as '2').
- 3. Insert Platelet Granules:** Place the Platelet Granules (labeled as '3') into their respective slots on the cabinet. These typically act as shelf supports or decorative covers.
- 4. Attach Accessory Holders:** Insert the large accessory holder (labeled as '4') and the small accessory holder (labeled as '5') into the pre-drilled holes on the side of the top panel. Ensure they are firmly seated.
- 5. Install Drawer:** Slide the drawer into its designated slot in the cabinet. Ensure it operates smoothly. The lock mechanism should be functional upon installation.
- 6. Final Check:** Verify that all screws are tight and the station is stable.

5. OPERATING INSTRUCTIONS

5.1 Lockable Drawer

The styling station features a lockable drawer for secure storage of valuable tools and personal items.

- **To Open:** Insert the key into the lock and turn it to the unlocked position. Pull the drawer handle to open.
- **To Close and Lock:** Push the drawer completely shut. Insert the key and turn it to the locked position. Remove the key.

Image 5.1: The lockable drawer of the styling station shown in an open position with the key inserted. This illustrates the drawer's capacity and the locking mechanism.

5.2 Double Door Cabinet

The lower section of the styling station includes a double-door cabinet for larger storage needs.

- **To Open:** Pull the handles on both doors simultaneously.
- **To Close:** Push both doors firmly until they are fully closed.

Image 5.2: The double-door cabinet of the styling station shown with both doors open, revealing the interior storage space and a shelf. This demonstrates the cabinet's storage capacity.

5.3 Appliance Holders

Three integrated appliance holders are located on the side of the top panel, designed to safely store hot styling tools.

- Insert styling tools such as hair dryers, curling irons, or flat irons into the appropriate sized holders.
- Ensure tools are cooled sufficiently before storing for extended periods.

6. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth and a mild, non-abrasive cleaner. Avoid harsh chemicals that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Tighten as necessary with the hexagonal wrench.
- **Drawer Slides:** If the drawer becomes stiff, apply a small amount of silicone-based lubricant to the drawer slides.

7. TROUBLESHOOTING

7.1 Drawer Not Locking/Opening

- Ensure the drawer is fully closed before attempting to lock.
- Check if the key is fully inserted and turned correctly.
- Inspect the lock mechanism for any obstructions.

7.2 Cabinet Doors Not Closing Properly

- Check for any items obstructing the doors from closing.
- Inspect hinges for damage or misalignment. Adjust if necessary.

7.3 Station Instability

- Verify that all assembly screws are securely tightened.
- Ensure the station is placed on a flat, level surface.

8. SPECIFICATIONS

Feature	Detail
Brand	Berkeley
Model	CHLOE
