## SETUP

Follow these steps to assemble your playset:

1. Connect the Launch Ramp Base and Dirt Base to form the playset's foundation.
2. Attach the two Side Structures to the main base, ensuring they are securely locked into place.
3. Insert the Launch Ramp into its designated slot on the Launch Ramp Base.
4. Position the Landing Ramp at the end of the playset, aligning it with the main structure.
5. Attach the Feature Stunt Piece and the Max-D Head to the top of the playset.
6. Secure the two-piece Breakaway Wall to the Max-D Head mechanism.
7. Apply the included stickers to the playset as desired, following the guide for placement.

## OPERATING INSTRUCTIONS

---

Experience the thrill of Monster Jam with these operating steps:

1. Place the exclusive 1:64 scale Max-D die-cast monster truck onto the launcher at the base of the playset.
2. Slam the launcher with sufficient force to send the truck up the ramp.
3. Aim for the trick bar at the top of the playset. If hit correctly, the truck will perform a backflip onto the landing ramp.
4. Hitting the trick bar also causes the Monster Jam logo at the top to blast open, revealing the Max-D head.
5. Reset the playset by closing the Monster Jam logo and repositioning the truck for continuous play.

## MAINTENANCE

---

To keep your playset in optimal condition:

- Wipe down all plastic parts with a damp cloth to remove dust and debris.
- Ensure all connections are secure after each play session.
- Store the playset in a dry, cool place away from direct sunlight to prevent material degradation.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic.

## TROUBLESHOOTING

---

If you encounter issues with your playset, refer to the following common problems and solutions:

- **Truck not launching effectively:** Ensure the launcher is fully reset and pressed firmly. Check for any obstructions on the ramp or in the launcher mechanism.
- **Max-D head not revealing:** Verify that the truck is hitting the trick bar at the top of the playset with

sufficient force and accuracy.

- **Playset parts detaching:** Re-check all connection points to ensure they are securely snapped into place during assembly.
