1. INTRODUCTION

This manual provides detailed instructions for the AIRIS A1-TWS True Wireless Bluetooth Earbuds. Please read this manual carefully before using the product to ensure proper operation and to maximize your listening experience. Keep this manual for future reference.

2. PACKAGE CONTENTS

Verify that all items listed below are present in your package:

- AIRIS A1-TWS True Wireless Bluetooth Earbuds (2 Pcs)
- Charging Case
- USB Charging Cable
- Ear Cushions (various sizes)
- User Manual (this document)

3. PRODUCT OVERVIEW

The AIRIS A1-TWS earbuds are designed for a comfortable and secure fit, offering high-definition stereo sound and touch controls. The included charging case provides convenient storage and extends battery life.

3.1 Earbuds

Image: Top view of the two AIRIS A1-TWS earbuds, highlighting their ergonomic design and touch-sensitive surfaces.

- **Touch Control Area:** Used for managing music playback, calls, and activating voice assistant.
- **Microphone:** Built-in for hands-free calling.
- **LED Indicator:** Displays pairing status, connection status, and battery level.
- **Charging Contacts:** For charging within the case.

3.2 Charging Case

Image: The AIRIS A1-TWS charging case shown open, with both earbuds securely placed inside.

- **Charging Slots:** Holds and charges the earbuds magnetically.
- **Charging Port:** USB port for charging the case.
- **Battery Indicator:** Shows the charging status of the case.

4. SETUP

4.1 Initial Charging

Before first use, fully charge the earbuds and the charging case.

1. Place both earbuds into the charging case. Ensure they are correctly seated and the charging contacts align.
2. Connect the USB charging cable to the charging port on the case and to a power source (e.g., USB wall adapter, computer USB port).
3. The LED indicators on the earbuds and/or case will show charging status. A full charge for earbuds typically takes 1 hour, and for the case, 3-4 hours.
4. Once fully charged, disconnect the charging cable.

4.2 Pairing with a Bluetooth Device

The earbuds will automatically enter pairing mode when removed from the charging case.

1. Open the charging case and remove both earbuds. They will automatically power on and connect to each other.
2. The earbuds' LED indicators will flash, indicating they are ready for pairing.
3. On your mobile phone or Bluetooth-enabled device, go to the Bluetooth settings.
4. Search for available devices and select "AI-TWS" (or similar, e.g., "AIRIS A1-TWS") from the list.
5. Once connected, the earbuds' LED indicators will stop flashing or show a steady light, and you will hear a confirmation tone.
6. If pairing fails, place the earbuds back into the charging case, close the lid, and repeat the steps.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

- **Power On:** Remove the earbuds from the charging case. They will power on automatically. Alternatively, press and hold the touch control area on both earbuds for approximately 3 seconds.

- **Power Off:** Place the earbuds back into the charging case and close the lid. They will power off automatically. Alternatively, press and hold the touch control area on both earbuds for approximately 5 seconds.

5.2 Music Control

- **Play/Pause:** Tap the touch control area on either earbud once.
- **Next Track:** Double-tap the touch control area on the right earbud.
- **Previous Track:** Double-tap the touch control area on the left earbud.
- **Volume Up:** Triple-tap the touch control area on the right earbud.
- **Volume Down:** Triple-tap the touch control area on the left earbud.

5.3 Call Control

- **Answer/End Call:** Tap the touch control area on either earbud once.
- **Reject Call:** Press and hold the touch control area on either earbud for 2 seconds.
- **Activate Voice Assistant:** Press and hold the touch control area on either earbud for 3 seconds (when not on a call).

5.4 Wearing the Earbuds

Choose the ear cushions that provide the best fit for comfort and sound quality. Insert the earbuds gently into your ear canal and rotate them slightly until they feel secure and comfortable.

6. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials. Clean the charging contacts on both the earbuds and the case to ensure proper charging.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Battery Care:** Avoid exposing the product to extreme temperatures. Do not fully discharge the battery for extended periods. Charge the device regularly, even if not in frequent use, to maintain battery health.
- **Water Resistance:** The earbuds are not waterproof. Avoid exposure to water, rain, or excessive moisture.

7. TROUBLESHOOTING

If you encounter issues with your AIRIS A1-TWS earbuds, refer to the following common solutions:

Problem	Solution
Earbuds do not power on.	Ensure the earbuds are charged. Place them in the charging case and charge fully.

Problem	Solution
Earbuds do not pair with device.	<ol style="list-style-type: none"> 1. Ensure earbuds are fully charged and removed from the case. 2. Turn off Bluetooth on your device and turn it back on. 3. Forget "AI-TWS" from your device's Bluetooth list and try pairing again. 4. Restart your device.
Only one earbud is working.	<ol style="list-style-type: none"> 1. Place both earbuds back into the charging case, close the lid, then remove them again to force re-sync. 2. Ensure both earbuds are charged.
Poor sound quality or intermittent connection.	<ol style="list-style-type: none"> 1. Ensure the earbuds are within the Bluetooth range (up to 30 meters). 2. Check for obstructions between the earbuds and your device. 3. Clean the earbud grilles and ensure ear cushions are properly fitted. 4. Try pairing with a different device to rule out device-specific issues.
Charging case not charging.	<ol style="list-style-type: none"> 1. Check the USB cable and power adapter. Try a different cable or adapter. 2. Ensure the charging port on the case is clean and free of debris.
