Product Features

- **3-Dimension Deep-Kneading Shiatsu Massage:** Nodes move in an inward and outward motion to mimic finger pressure.
- **Soothing Heat Function:** Enhances relaxation and blood circulation.
- **Rechargeable and Cordless:** Allows for portable use.
- **Ergonomic Design:** Contours to various body parts including neck, shoulders, back, abdomen, calves, and thighs.
- **Versatile Placement:** Can be used at home or in the office.
- **Adjustable Intensity:** Includes a free sleeve to lessen massage intensity and heat if desired.

Setup and Charging

1. **Charging:** Connect the provided power adapter to the massager and a power outlet. Allow the device to fully charge before first use. The massager is also compatible with a car adapter (included) for charging on the go.
2. **Positioning:** Place the massager behind the desired body area (neck, back, abdomen, calf, thigh). The ergonomic design allows it to contour to various body shapes.
3. **Securing:** Use the integrated Velcro straps to secure the massager to an office chair or headrest for stable positioning during use.
4. **Intensity Adjustment:** If the massage intensity or heat is too strong, place the included fabric sleeve over the massage nodes to reduce the sensation.

SLEEK & WEIGHS ONLY 3.5 LBS
6 feet of total cord length for both car and power adapter

Operation

1. **Power On/Off:** Press the power button located on the device to turn the massager on or off.
2. **Massage Modes:** The 3D shiatsu nodes will begin kneading. The rotation direction automatically changes every 60 seconds to provide a varied massage experience.
3. **Heat Function:** The soothing heat function activates automatically with the massage.
4. **Automatic Shut-off:** For safety and to prevent overuse, the massager will automatically shut off after a set period.

Care and Maintenance

- Disconnect the massager from the power source before cleaning.
- Wipe the surface with a soft, damp cloth. Do not use abrasive cleaners or immerse the device in water.
- Store in a cool, dry place away from direct sunlight.

Specifications (ZMA-13RB)

- **Model Number:** ZMA-13RB

- **Massage Technique:** Shiatsu, 3D Deep-Kneading
- **Power Source:** Battery Powered (Rechargeable)

Image: A demonstration of the ZMA-12 scalp massager's flexible bristles, highlighting their ability to adapt to the scalp.

Operation

1. **Application:** Can be used on wet or dry hair, with or without shampoo.
2. **Technique:** Gently press the massager onto your scalp and move it in small circular motions.
3. **Benefits:** Use during shampooing to help distribute product, cleanse, exfoliate, and stimulate blood circulation in the scalp.

Care and Maintenance

- Rinse the scalp massager thoroughly with water after each use, especially if used with shampoo.
- Allow it to air dry completely before storing.

Specifications (ZMA-12)

- **Model Number:** ZMA-12
- **Bristle Type:** Two types of flexible bristles

- **Handle:** Ergonomic, easy-grip design
- **Use:** Wet or dry scalp massage, shampooing aid

TROUBLESHOOTING

- **Massager (ZMA-13RB) not turning on:** Ensure the device is fully charged. Check if the power adapter is securely connected.
- **Massager (ZMA-13RB) stops during use:** The automatic safety shut-off may have activated. Allow the device to cool down before restarting.
- **Massage intensity too strong:** Use the included fabric sleeve to reduce the intensity.
- **Scalp Massager (ZMA-12) not effective:** Ensure proper technique by applying gentle pressure and moving in circular motions.

WARRANTY AND SUPPORT

Zyllion products are covered by a 1-year warranty, extendable to 2 years with product registration. If your device experiences any issues within the warranty period, Zyllion will provide a replacement at no cost. For customer service and support, please refer to the contact information provided with your product packaging or visit the official Zyllion website.
