4. SETUP AND ASSEMBLY

The vidaXL Book Cabinet is designed for straightforward assembly. We recommend assembling the unit on a soft, clean surface to prevent scratches.

Assembly Steps:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out and identify each piece according to the included parts list (if provided).
2. **Assemble Base Structure:** Begin by connecting the base panels and side panels as indicated in the diagram. Use the provided screws and dowels, ensuring a snug fit.
3. **Install Shelves:** Attach the horizontal and vertical shelf panels to form the six open compartments. Pay attention to the orientation of each panel to ensure the stepped design is correctly formed.
4. **Secure Back Panel:** Once the main structure is complete, attach the back panel(s) to the rear of the cabinet. This adds stability and a finished look.

6. MAINTENANCE

Proper care will help maintain the appearance and longevity of your vidaXL Book Cabinet.

- **Cleaning:** Wipe the surfaces with a damp cloth to remove dust and light spills. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for engineered wood. Avoid harsh chemicals or abrasive cleaning materials.
- **Drying:** Always dry the surfaces immediately with a clean, dry cloth after cleaning to prevent moisture damage.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration of the finish.
- **Humidity Control:** Maintain a stable room temperature and humidity level to prevent warping or cracking of the wood material.

7. TROUBLESHOOTING

If you encounter any issues with your book cabinet, refer to the following common solutions:

- **Wobbly Cabinet:** Ensure the cabinet is placed on a flat, level surface. Check all assembly screws and re-tighten if necessary. If the floor is uneven, use furniture glides or shims to stabilize.
- **Scratches/Minor Damage:** For minor scratches, a wood repair marker or furniture polish matching the Sonoma Oak finish can be used.
- **Missing Parts:** If you find any parts missing during assembly, please contact vidaXL customer support immediately with your purchase details.
