Pokémon Metal Saucer

Pokémon Metal Saucer Trading Card Instruction Manual

Model: Metal Saucer (Sword & Shield Base Set)

Introduction

This manual provides essential information for the proper use and care of your Pokémon Metal Saucer trading card. The Metal Saucer is an Uncommon Trainer card from the Sword & Shield Base Set, designed to enhance gameplay in the Pokémon Trading Card Game (TCG).

Setup

To integrate the Metal Saucer card into your Pokémon TCG deck, follow these guidelines:

- **Deck Inclusion:** The Metal Saucer is a Trainer card. Ensure your deck adheres to the official Pokémon TCG rules regarding the number of Trainer cards allowed.
- **Deck Building Strategy:** Consider including this card in decks that utilize Metal-type Pokémon, as its effect specifically benefits them.
- **Sleeving:** For protection, it is recommended to place your Metal Saucer card in a standard trading card sleeve before adding it to your deck.

Operating (Gameplay)

The Metal Saucer is an Item card with the following effect:

> *"Attach a **Metal Energy** card from your discard pile to 1 of your Benched**Metal Pokémon**."*

Follow these steps during your turn to use the Metal Saucer:

1. **Play the Card:** During your turn, you may play any number of Item cards from your hand. Place the

Metal Saucer card face up in your play area.

2. **Activate Effect:** Search your discard pile for a Metal Energy card.
3. **Target Benched Pokémon:** Choose one of your Benched Metal-type Pokémon.
4. **Attach Energy:** Attach the chosen Metal Energy card from your discard pile to the selected Benched Metal Pokémon.
5. **Discard:** After resolving its effect, place the Metal Saucer card into your discard pile.

Note: Ensure you have a Metal Energy card in your discard pile and a Benched Metal Pokémon to use this card's effect.

Maintenance

Proper care ensures the longevity and condition of your Metal Saucer card:

- **Storage:** Store the card in a protective sleeve, top loader, or binder to prevent bending, scratching, or other damage.
- **Handling:** Always handle the card by its edges to avoid transferring oils or dirt from your fingers to the card surface.
- **Environment:** Keep the card away from direct sunlight, extreme temperatures, and high humidity, which can cause fading, warping, or moisture damage.
- **Cleaning:** If necessary, gently wipe the card surface with a clean, dry, soft microfiber cloth. Avoid using liquids or abrasive materials.

Troubleshooting

If you encounter issues with your Metal Saucer card:

- **Damaged Card:** If the card is physically damaged (e.g., torn, heavily creased), its playability in official tournaments may be compromised. Consider replacing it if it affects gameplay or official rules.
- **Misinterpretation of Rules:** If there is confusion about the card's effect or interaction with other cards, consult the official Pokémon TCG rulebook or a certified judge. Online resources like Pokemon.com TCG Rules can also provide clarification.
- **Lost Card:** Trading cards are small and can be easily misplaced. Always store your cards securely.
