## SETUP AND ASSEMBLY

---

The Bruder Roll-Off Container Trailer comes pre-assembled. Initial setup primarily involves connecting it to a compatible Bruder tractor or truck.

1. **Prepare the Trailer:** Ensure the trailer is on a flat, stable surface.
2. **Connect to a Vehicle:** Use the universal coupling adapter located at the front of the trailer to attach it to any Bruder tractor or truck from the 2000-4000 series. Ensure a secure connection for stable towing.

## OPERATING INSTRUCTIONS

---

The Roll-Off Container Trailer offers several interactive features for realistic play:

- **Tilting Trough:** The container trough can be tilted to simulate dumping contents. Gently lift the front of the trough to engage the tilting mechanism.

## MAINTENANCE

---

To ensure the longevity and optimal performance of your Bruder Roll-Off Container Trailer, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the trailer with a damp cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic.
- **Storage:** Store the trailer in a cool, dry place away from direct sunlight to prevent material degradation and color fading.
- **Inspection:** Periodically check all moving parts and connections for any signs of wear or damage.
