HAYLOU GT1-PLUS

Haylou GT1-PLUS TWS Earbuds User Manual

Model: GT1-PLUS | Brand: HAYLOU

INTRODUCTION

Thank you for choosing the Haylou GT1-PLUS TWS Earbuds. This manual provides detailed instructions on how to set up, operate, maintain, and troubleshoot your new earbuds. Please read this manual carefully before use to ensure optimal performance and longevity of your device.

SAFETY INFORMATION

- Do not disassemble, repair, or modify the product for any reason, as this may cause fire, electronic breakdown, or even completely damage the product.
- Do not expose the product to extreme temperatures (below 0°C or above 45°C).
- Avoid using the product near children or animals.
- Do not use the product during thunderstorms to avoid malfunction and increased risk of electric shock.
- Do not clean the product with harsh chemicals or strong detergents.
- Listen at moderate volume levels to prevent hearing damage. Prolonged exposure to loud sounds can cause permanent hearing loss.

PACKAGE CONTENTS

Please check the contents of your package. If any items are missing or damaged, please contact your retailer.

- Haylou GT1-PLUS TWS Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- Ear Tips (various sizes, included as "Ear Cushions" in specifications)
- User Manual (this document)

PRODUCT OVERVIEW

Familiarize yourself with the components of your Haylou GT1-PLUS TWS Earbuds.

Figure 1: Haylou GT1-PLUS TWS Earbuds inside their charging case, showcasing the compact design and how they are stored.

Figure 2: One Haylou GT1-PLUS earbud placed next to its open charging case, illustrating the individual earbud design and the charging contacts within the case.

Figure 3: A detailed view of the Haylou GT1-PLUS earbuds, highlighting the charging contact points and the ergonomic shape designed for in-ear comfort.

Earbud Components:

- **Touch Panel:** For controlling music playback, calls, and voice assistant.
- **LED Indicator:** Shows charging status and pairing mode.
- **Microphone:** For calls and voice commands.
- **Charging Contacts:** For charging the earbuds inside the case.
- **Ear Tip:** Provides comfort and sound isolation.

Charging Case Components:

- **Charging Ports:** For placing earbuds to charge.
- **Charging Indicator:** Shows the charging status of the case.
- **USB Charging Port:** For connecting the USB cable to charge the case.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the charging case and earbuds.

1. Insert the earbuds into the charging case, ensuring they are correctly seated. The LED indicators on the earbuds will light up to show they are charging.

2. Connect the USB charging cable to the charging port on the case and the other end to a USB power source (e.g., computer, wall adapter).
3. The charging indicator on the case will show its charging status. Once fully charged, the indicator may change color or turn off.
4. A full charge provides up to 18 hours of total battery life with the charging case.

2. Pairing with Your Device

The earbuds support automatic pairing once removed from the case.

1. Ensure your device's Bluetooth is turned on.
2. Take both earbuds out of the charging case. They will automatically power on and enter pairing mode. The LED indicator on one earbud will flash white slowly, indicating it's ready to pair.
3. On your device, search for Bluetooth devices and select "Haylou GT1-PLUS" from the list.
4. Once connected, the LED indicators on both earbuds will turn off. You will hear a confirmation tone.
5. If pairing fails, place the earbuds back into the case, close the lid, and then repeat the steps.

Note: The earbuds support master-slave switch, meaning either earbud can be used independently.

OPERATING INSTRUCTIONS

Wearing the Earbuds

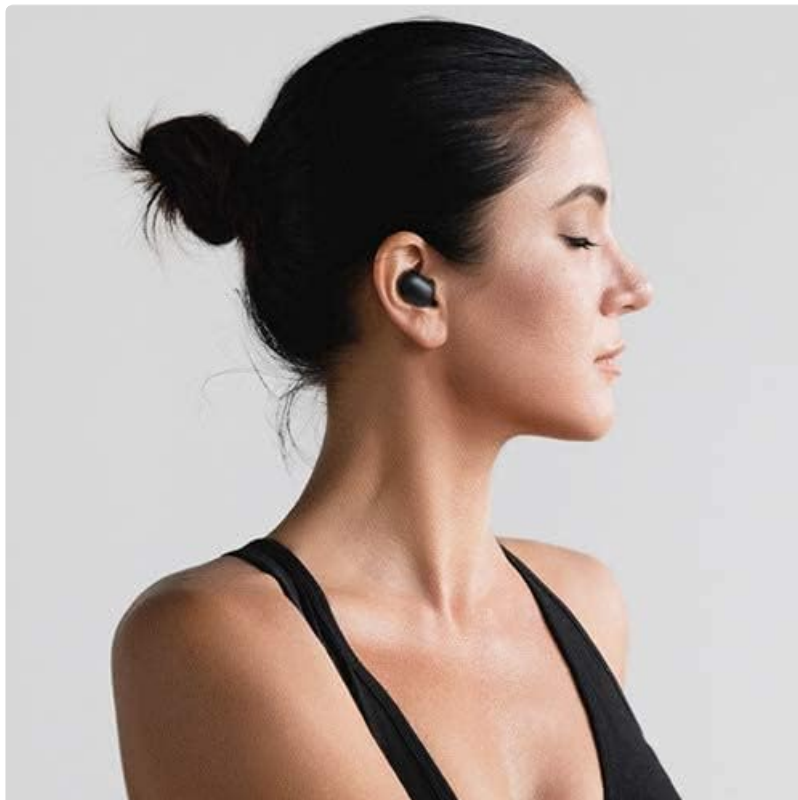

Figure 4: Proper way to wear the Haylou GT1-PLUS earbud, ensuring a secure and comfortable fit for optimal sound and noise isolation. Choose the ear tips that best fit your ears for optimal sound quality and comfort. Gently insert the earbuds into your ear canal and twist slightly to secure them.

Touch Controls

The Haylou GT1-PLUS earbuds feature intuitive touch controls on each earbud.

Action	Function
Single Tap (either earbud)	Play/Pause music
Double Tap (Right earbud)	Skip to next track
Double Tap (Left earbud)	Skip to previous track
Double Tap (either earbud during call)	Answer/End call
Triple Tap (either earbud)	Activate Voice Assistant (Siri, Google Assistant, etc.)
Long Press (1.5s, either earbud)	Ignore incoming call
Long Press (3s, either earbud)	Power On/Off (when not in case)

MAINTENANCE

Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Ensure the charging contacts on both the earbuds and the case are clean and free of debris to ensure proper charging.
- Remove ear tips and clean them separately with mild soap and water if necessary, then dry completely before reattaching.

Storage

- When not in use, always store the earbuds in their charging case to protect them and keep them charged.
- Store the device in a cool, dry place, away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

If you encounter issues with your Haylou GT1-PLUS earbuds, try the following solutions:

Problem	Possible Solution
Earbuds not charging	<ul style="list-style-type: none"> ◦ Ensure earbuds are correctly seated in the charging case. ◦ Clean the charging contacts on both earbuds and case. ◦ Check if the charging case has power. ◦ Try a different USB cable or power source.
Earbuds not pairing with device	<ul style="list-style-type: none"> ◦ Ensure earbuds are out of the case and in pairing mode (LED flashing). ◦ Turn off and on Bluetooth on your device. ◦ Forget "Haylou GT1-PLUS" from your device's Bluetooth list and try pairing again. ◦ Place earbuds back in case, close lid, wait a few seconds, then take them out again.

Problem	Possible Solution
Only one earbud has sound	<ul style="list-style-type: none"> Place both earbuds back into the charging case, close the lid, and then take them out again to re-establish the connection between them. Ensure both earbuds are charged. Perform a factory reset (refer to online resources or Haylou support for specific steps if not covered here).
Low volume or poor sound quality	<ul style="list-style-type: none"> Adjust the volume on your connected device. Ensure ear tips are properly sealed in your ear canal. Try different sized ear tips. Clean any earwax or debris from the earbud nozzles.
Earbuds disconnect frequently	<ul style="list-style-type: none"> Ensure you are within the Bluetooth range of your device (typically 10 meters/33 feet). Avoid strong electromagnetic interference. Ensure the earbuds are fully charged.
