DHOME Aqualine Pro Upholstered Headboard

DHOME Aqualine Pro Upholstered Headboard Instruction Manual

Model: Aqualine Pro Upholstered Headboard (Tessuto Terra, 160cm)

Brand: DHOME

1. INTRODUCTION

This manual provides comprehensive instructions for the safe installation, proper use, and effective maintenance of your DHOME Aqualine Pro Upholstered Headboard. Please read all instructions carefully and thoroughly before proceeding with installation or use to ensure optimal performance and safety.

2. PRODUCT OVERVIEW

The DHOME Aqualine Pro Upholstered Headboard is designed to enhance your bedroom with both style and comfort. It features a high-quality wooden structure and is upholstered in a premium Aqualine Rio fabric, known for its soft feel and stain-resistant properties. This headboard is 4 cm thick and manufactured in Spain, ensuring quality craftsmanship.

Key Features:

- Upholstered in high-quality imitation leather or Aqualine Rio fabric.
- High-quality wooden structure.
- 4 cm thickness.
- Latest generation stain-resistant fabric with a soft feel.
- Includes wall-hanging hardware for easy installation.

3. SETUP AND INSTALLATION

The DHOME Aqualine Pro Headboard is designed for easy wall-mounting. All necessary hardware for hanging is included with your purchase.

Installation Steps:

1. **Unpack:** Carefully remove the headboard and all components from its packaging. Inspect for any damage.
2. **Identify Mounting Points:** Determine the desired height for your headboard. Mark the wall where the mounting hardware will be installed. Ensure the marks are level and correspond to the pre-drilled holes or attachment points on the back of the headboard.
3. **Install Wall Hardware:** Using appropriate tools (drill, screwdriver), securely attach the provided wall-hanging hardware to the marked points on your wall. Ensure the fasteners are suitable for your wall type (e.g., drywall anchors, concrete screws).
4. **Mount Headboard:** Carefully lift the headboard and align its attachment points with the installed wall hardware. Securely hang the headboard, ensuring it is stable and flush against the wall.
5. **Verify Security:** Gently test the headboard's stability to confirm it is properly fixed to the wall and will not move or fall, preventing accidents.

4. MAINTENANCE

To maintain the appearance and longevity of your DHOME Aqualine Pro Headboard, follow these simple care guidelines:

- **Regular Cleaning:** The Aqualine Rio fabric is stain-resistant. For general cleaning, gently wipe the surface with a soft, damp cloth.
- **Spot Cleaning:** For spills or stains, blot immediately with a clean, dry cloth. If necessary, use a mild soap solution on a damp cloth, then wipe with a clean, damp cloth to remove any soap residue.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the fabric and finish.
- **Vacuuming:** Periodically vacuum the headboard with a soft brush attachment to remove dust and debris.
- **Sunlight Exposure:** Avoid prolonged direct exposure to sunlight to prevent fading of the fabric.

5. TROUBLESHOOTING

The DHOME Aqualine Pro Headboard is a static furniture item and typically does not require specific troubleshooting. If you encounter any issues related to its structure, upholstery, or installation, please refer to the installation section or contact DHOME customer support for assistance.

7. SAFETY INFORMATION

Your safety is paramount. Please adhere to the following guidelines:

- **Secure Installation:** Always ensure that the headboard is properly and securely fixed to the wall to prevent any accidents or injuries. Regularly check the stability of the mounting.
- **Delivery Inspection:** IMPORTANT NOTE: Before signing for delivery, verify that the received packages correspond to the packages listed on the bill of lading attached to the goods. If any are missing, indicate this on the PDA or the courier's delivery note. If signed without noting missing modules, we cannot be held responsible or replace them.
- **Product Condition Check:** After delivery, immediately check the condition of the item. Any transport incidents or claims must also be noted on the carrier's bill of lading or PDA. Document any observations, damages, or defects present on the external packaging. We only accept transport interruption claims that have been noted on the courier's signature slip.
- **Children and Pets:** Keep children and pets away from the headboard during installation.
- **Weight Limit:** Do not hang or apply excessive weight to the headboard, as it is designed for decorative and support purposes only.

8. WARRANTY AND SUPPORT

For any warranty-related inquiries, technical support, or assistance with your DHOME Aqualine Pro Upholstered Headboard, please contact DHOME customer service directly. You can typically find contact information through your purchase platform or on the official DHOME website. Please have your purchase details and model information ready when contacting support.
