Hespéride ALLURE

Hespéride Allure Extendable Garden Table Instruction Manual

Model: ALLURE (3560238679302)

1. Introduction

Thank you for choosing the Hespéride Allure Extendable Garden Table. This high-quality outdoor dining table is designed to comfortably seat up to 12 people, featuring a durable aluminum frame with an epoxy anti-rust treatment and a graphite finish. This manual provides essential information for the safe assembly, proper use, and effective maintenance of your table to ensure its longevity and optimal performance.

2. Safety Information

Please read and understand all safety instructions before assembling or using the table. Failure to follow these instructions may result in injury or damage to the product.

- **Stability:** Always place the table on a flat, stable, and level surface to ensure maximum stability and prevent tipping.
- **Extension Mechanism:** Ensure that the extension leaves are correctly and securely fixed in place before using the table in its extended configuration. Improper fastening can lead to instability.
- **Weight Capacity:** Do not exceed the maximum recommended weight of 100 kg (220 lbs) on the tabletop. Distribute weight evenly.
- **Children:** Keep children away from the table during assembly and when operating the extension mechanism to prevent pinching or other injuries.
- **Moving the Table:** When moving the table, lift it rather than dragging it to prevent damage to the legs or frame. Ensure the extension leaves are secured or removed before moving.

- **Outdoor Use:** This table is designed for outdoor use. While it features anti-rust treatment, prolonged exposure to extreme weather conditions may affect its appearance and lifespan. Consider covering it during harsh weather.

3. Package Contents

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Table Frame (Aluminum)
- Tabletop Sections (Main and Extension Leaves)
- Legs
- Assembly Hardware (screws, bolts, washers, etc.)
- Assembly Guide (included)

4. Setup and Assembly

Assembly is required for this product. It is recommended to have two people for assembly. Please refer to the included Assembly Guide for detailed, step-by-step instructions and diagrams. Ensure you have adequate space and the necessary tools (typically a screwdriver or Allen key, often provided).

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, clean surface to prevent scratches.
2. **Attach Legs:** Securely attach the legs to the main table frame using the provided hardware. Do not overtighten screws initially.
3. **Assemble Tabletop:** Connect the main tabletop sections.
4. **Insert Extension Leaves:** If assembling in extended mode, carefully slide the extension leaves into their designated slots and secure them according to the Assembly Guide.
5. **Final Tightening:** Once all components are loosely assembled, place the table upright and gently rock it to ensure it is level. Then, fully tighten all screws and bolts.

5. Operating Instructions (Extension Mechanism)

The Hespéride Allure table features a butterfly extension system, allowing you to easily adjust its length to accommodate more guests.

To Extend the Table:

1. **Clear the Table:** Remove all items from the tabletop.
2. **Unlock:** Locate and unlock any locking mechanisms (if present) that secure the main tabletop sections.
3. **Pull Apart:** Gently pull the two main halves of the tabletop apart. The extension leaves, often folded underneath, will typically rise into position automatically or can be manually unfolded.
4. **Position Leaves:** Carefully unfold and position the extension leaves between the main tabletop sections.
5. **Push Together:** Push the main tabletop halves back together until they meet the extension leaves, ensuring a snug fit.
6. **Lock:** Secure any locking mechanisms to hold the table firmly in its extended position.

To Retract the Table:

1. **Clear the Table:** Remove all items from the tabletop.
2. **Unlock:** Unlock any locking mechanisms.
3. **Pull Apart:** Gently pull the main tabletop halves apart slightly.
4. **Fold/Remove Leaves:** Fold the butterfly extension leaves back underneath the table or remove them if they are separate pieces.
5. **Push Together:** Push the main tabletop halves back together until they meet.
6. **Lock:** Secure any locking mechanisms to hold the table firmly in its retracted position.

6. Maintenance and Care

Proper care will help maintain the appearance and extend the lifespan of your Hespéride Allure table.

- **Cleaning:** Clean the aluminum frame and tabletop regularly with a soft cloth, mild soap, and water. Avoid abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the finish. Rinse thoroughly with clean water and dry completely to prevent water spots.
- **Rust Prevention:** The aluminum frame is treated with an epoxy anti-rust coating. However, inspect for any scratches or damage to the coating that could expose the metal. Touch up any damage promptly with appropriate outdoor furniture paint.
- **Protection:** While designed for outdoor use, covering the table with a protective cover during prolonged periods of non-use or harsh weather (heavy rain, snow, strong sun) will help preserve its condition.
- **Fasteners:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary to maintain structural integrity.
- **Storage:** If storing the table indoors during the off-season, ensure it is clean and dry.

7. Troubleshooting

If you encounter issues with your Hespéride Allure table, refer to the following common solutions:

Problem	Possible Cause	Solution
Table is wobbly or unstable.	Uneven surface; loose fasteners; incorrect assembly.	Ensure the table is on a flat, level surface. Check and tighten all assembly bolts and screws. Review the assembly guide.
Extension leaves do not fit properly.	Incorrect alignment; debris in mechanism; locking mechanisms engaged.	Ensure the main table halves are fully separated. Check for any obstructions. Verify locking mechanisms are disengaged before attempting to insert/remove leaves.

Problem	Possible Cause	Solution
Difficulty extending or retracting the table.	Mechanism stiff; debris; locking mechanisms engaged.	Ensure locking mechanisms are fully disengaged. Clean any dirt or debris from the sliding tracks. Apply a silicone-based lubricant (avoid oil-based) if the mechanism is stiff.
Scratches or marks on the surface.	Impact from objects; abrasive cleaning.	Use placemats or coasters to protect the surface. Avoid dragging objects across the table. Clean with soft cloths only. Minor scratches may be touched up with appropriate paint.

8. Specifications

Detailed specifications for the Hespéride Allure Extendable Garden Table:

Model Name	ALLURE
Model Number	3560238679302
Brand	Hespéride
Material (Frame)	Aluminum with Epoxy Anti-rust Treatment
