SETUP

Unboxing Your Present Pet

Your Present Pet is designed to unbox itself!

1. Unwrap the box's outer layer.
2. Locate and pull the gift tag. The box will begin to shake as your puppy paws its way out.
3. The front panel will pop open, revealing your Fancy Puppy.

Battery Installation

The Present Pet comes with 6 AAA Duracell batteries already installed. If replacement is needed:

1. Locate the battery compartment on the underside of the puppy.
2. Use a screwdriver to open the battery cover.
3. Insert 6 new AAA batteries, ensuring correct polarity.

4. Securely close the battery cover.

Ensure the power switch (usually located near the battery compartment) is set to "ON" for full interactive features.

OPERATING INSTRUCTIONS

Basic Interactions

- **Cuddling:** Pet your puppy's head, and she will happily give kisses and sweet coos.
- **Playtime:** Tickle her tummy to get her excited. Her tail will wag faster, and she will tap and shuffle her paws, letting out cute giggles.
- **Voice Recognition:** Your puppy recognizes when you speak to her and will respond.

MAINTENANCE

Cleaning

- Surface wash only. Do not immerse the toy in water.
- Use a damp cloth to gently wipe away dirt.
- Allow to air dry completely before further play.

Storage

- Store the Present Pet in a cool, dry place away from direct sunlight.
- If storing for an extended period, remove batteries to prevent leakage.

TROUBLESHOOTING

Puppy is not responding or making sounds

- Check the battery compartment to ensure batteries are correctly installed and not depleted. Replace if necessary.
- Verify the power switch is in the "ON" position.
- Ensure no foreign objects are obstructing the puppy's sensors or moving parts.

Puppy is too loud

- The Present Pets toy does not feature a volume control. If the sound level is a concern, consider playing in a larger space or during active play sessions.
