Lite Brite 02238

Lite Brite Ultimate Classic Refill Pack - Animal Theme Instruction Manual

1. Introduction

This Lite Brite Ultimate Classic Refill Pack provides 10 reusable animal-themed templates designed to enhance creative play with your Lite Brite Ultimate Classic unit (sold separately). These templates allow users to create various illuminated animal designs by inserting colored pegs into designated holes.

2. Compatibility

These templates are specifically designed to fit the 2018 and newer Basic Fun Lite-Brite Ultimate Classic unit, which features a white exterior with a black board measuring 9.25 inches wide and an on/off button located on the back of the unit. While templates may fit Basic Fun Lite-Brite units from 2014-2018, some models might require minor trimming for a perfect fit, and artwork alignment on the peg grid may vary.

3. Setup Instructions

1. Ensure you have a Lite Brite Ultimate Classic unit available. This refill pack requires the main unit for use.
2. Carefully remove one of the 10 animal-themed templates from the packaging.
3. Place the chosen template onto the black peg board of your Lite Brite unit. Ensure the template lies flat and aligns with the peg holes.
4. Secure the template by inserting a peg into each corner hole, if available, to hold it in place during use.

Figure 2: The Lite Brite Ultimate Classic Refill Pack shown alongside a Lite-Brite unit, illustrating a flamingo design being created with colored pegs.

4. Operating Instructions

1. Observe the template: Each hole on the template is marked with a letter corresponding to a specific color of peg.
2. Select the correct pegs: Choose the colored pegs that match the letters indicated on your chosen template.
3. Insert pegs: Gently push each colored peg into its corresponding hole on the template, ensuring it goes through the template and into the Lite Brite unit's peg board.
4. Illuminate your design: Once all desired pegs are in place, turn on your Lite Brite Ultimate Classic unit using the on/off button located on the back. Your animal design will illuminate.

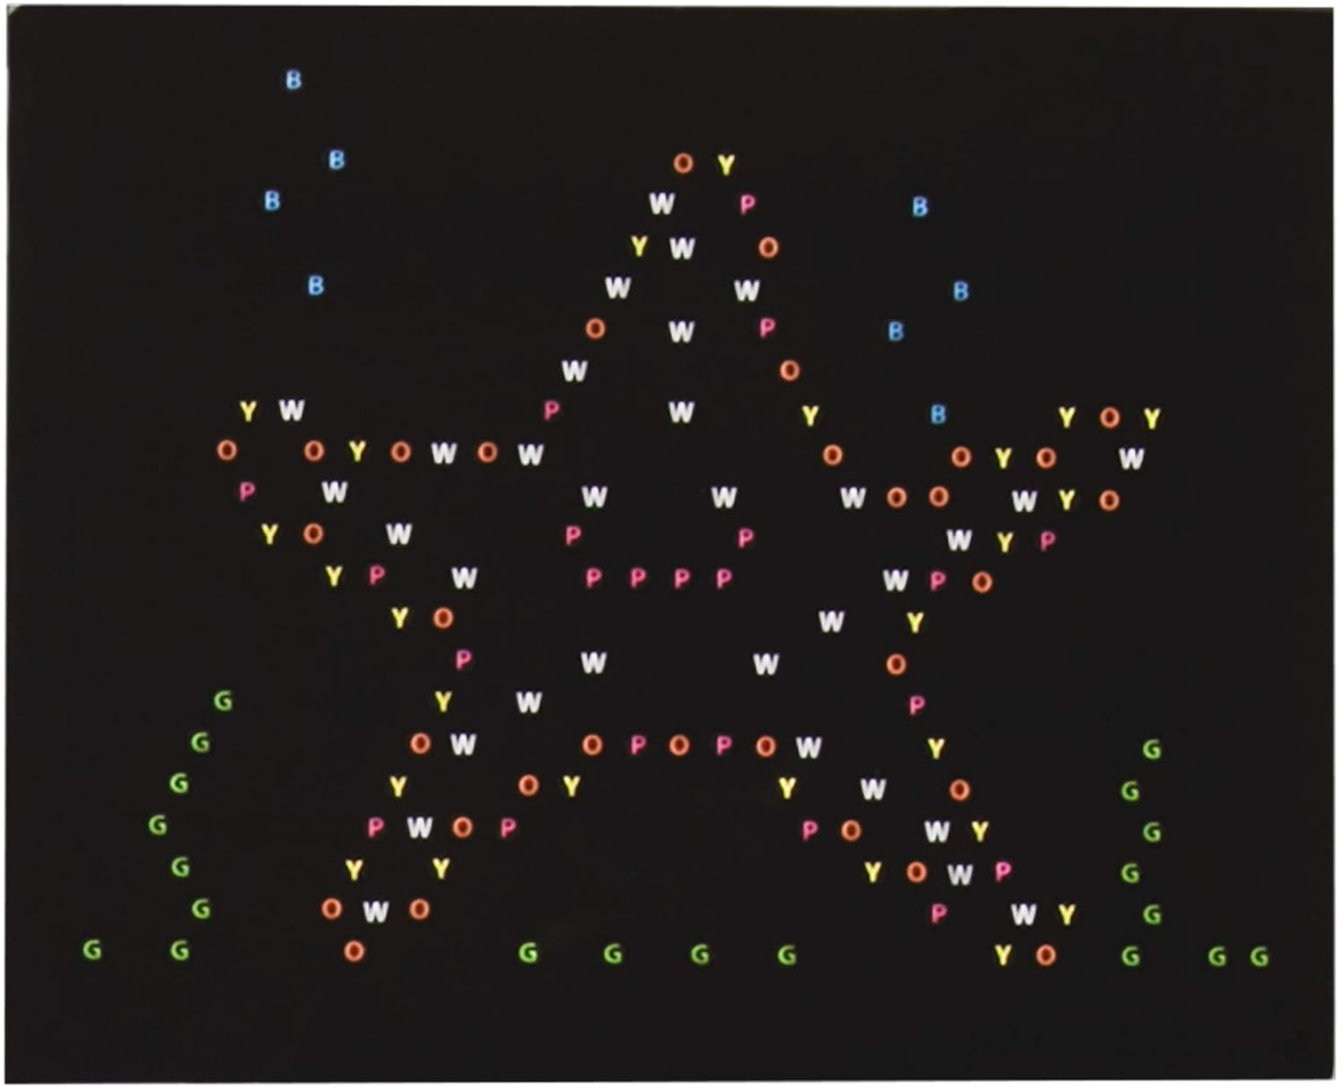

Figure 3: A detailed view of the Starfish template, showing the letter-coded holes for peg placement.

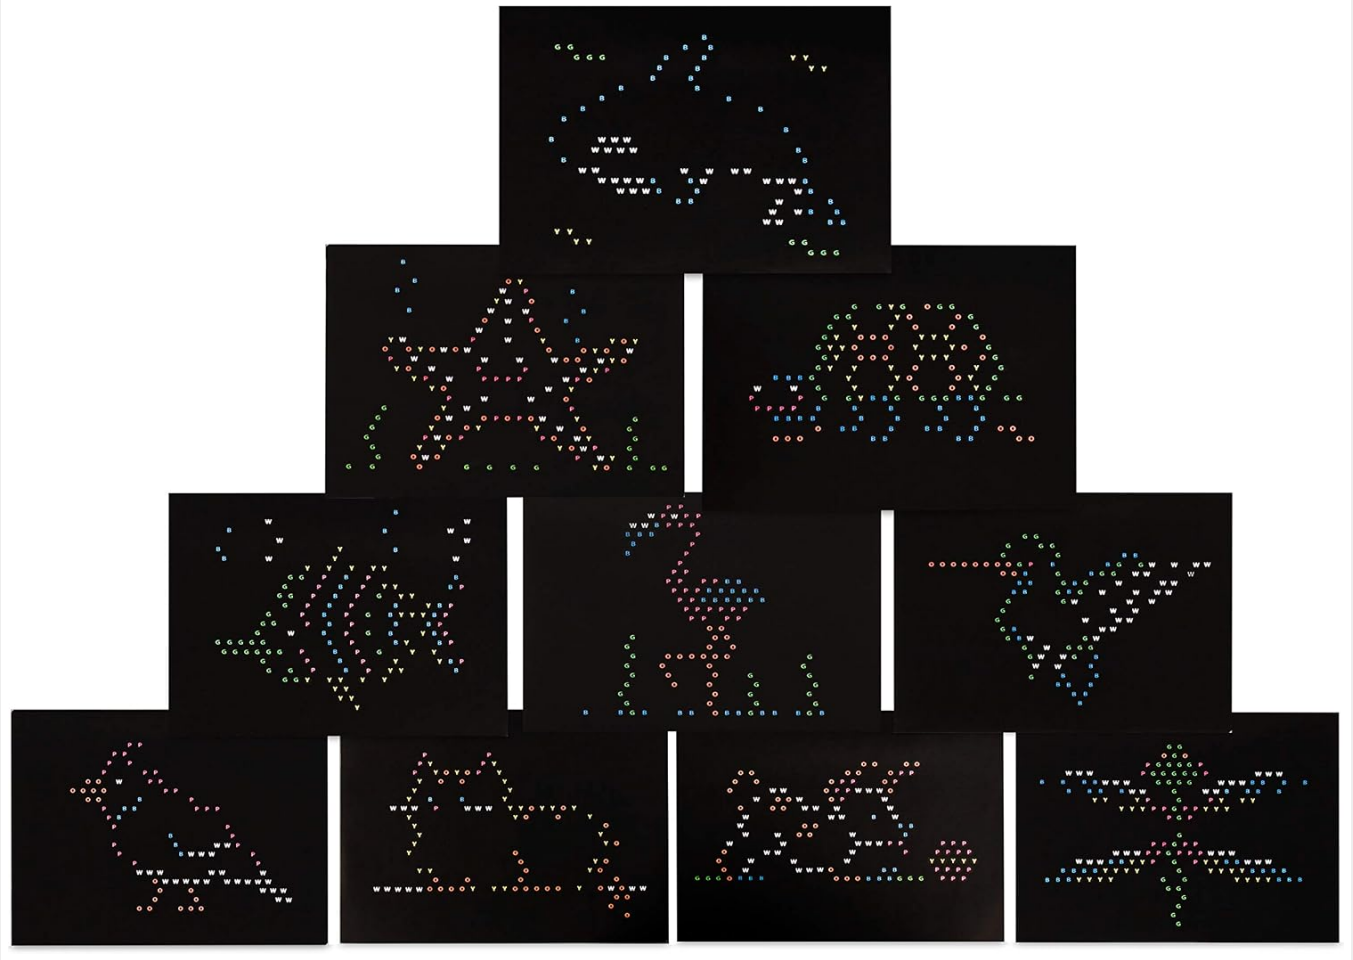

Figure 4: All ten reusable animal-themed templates included in the pack, showcasing various designs such as a hummingbird, cardinal, dragonfly, orca whale, fish, turtle, kitty, puppy, flamingo, and starfish.

5. Maintenance and Reusability

The templates included in this pack are designed for reusability. To reuse a template, carefully remove all pegs from the design. The templates are made of durable paper material, allowing for multiple uses. Store templates flat in their original packaging or a similar protective sleeve to prevent damage.

6. Troubleshooting

- **Template does not fit correctly:** Ensure you are using a Lite Brite Ultimate Classic unit (2018 or newer model). Older models may require minor adjustments to the template size.
- **Pegs are difficult to insert:** Ensure the template is properly aligned with the peg board holes. Do not force pegs; they should slide in with gentle pressure.
- **Design does not illuminate:** Verify that your Lite Brite Ultimate Classic unit is powered on and functioning correctly. Check battery installation if applicable.

7. Product Specifications

Specification	Detail
Brand	Lite Brite
Model Number	02238

Item Type Name	Ultimate Classic Refill Pack - Animal Theme - 10 Reusable Templates
Included Components	10 templates
Material Type	Paper
Item Weight	0.07 Kilograms
