1. PRODUCT OVERVIEW

Thank you for choosing the EUGAD Wall Mounted Bathroom Mirror Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read it thoroughly before installation and keep it for future reference.

The cabinet features a modern design with a grey finish, offering practical storage solutions for your bathroom. It includes a mirror and an adjustable internal shelf to accommodate various items.

2. SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- **Handle with Care:** Components, especially the mirror, can be fragile. Exercise caution during unpacking and assembly.
- **Wall Mounting:** Ensure the cabinet is securely mounted to a sturdy wall using appropriate hardware for your wall type. Consult a professional if unsure.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 15 kg (33 lbs) for the entire cabinet. Distribute weight evenly.
- **Children:** Keep small parts and packaging materials away from children to prevent choking hazards.
- **Moisture:** While the cabinet is moisture-resistant, avoid prolonged exposure to excessive water or humidity to maintain its integrity.
- **Sharp Objects:** Do not use sharp objects near the mirror or cabinet surfaces to prevent scratches.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. Refer to the diagram below for component identification.

Easy to Install

Easy to install with detailed illustrated installation instructions

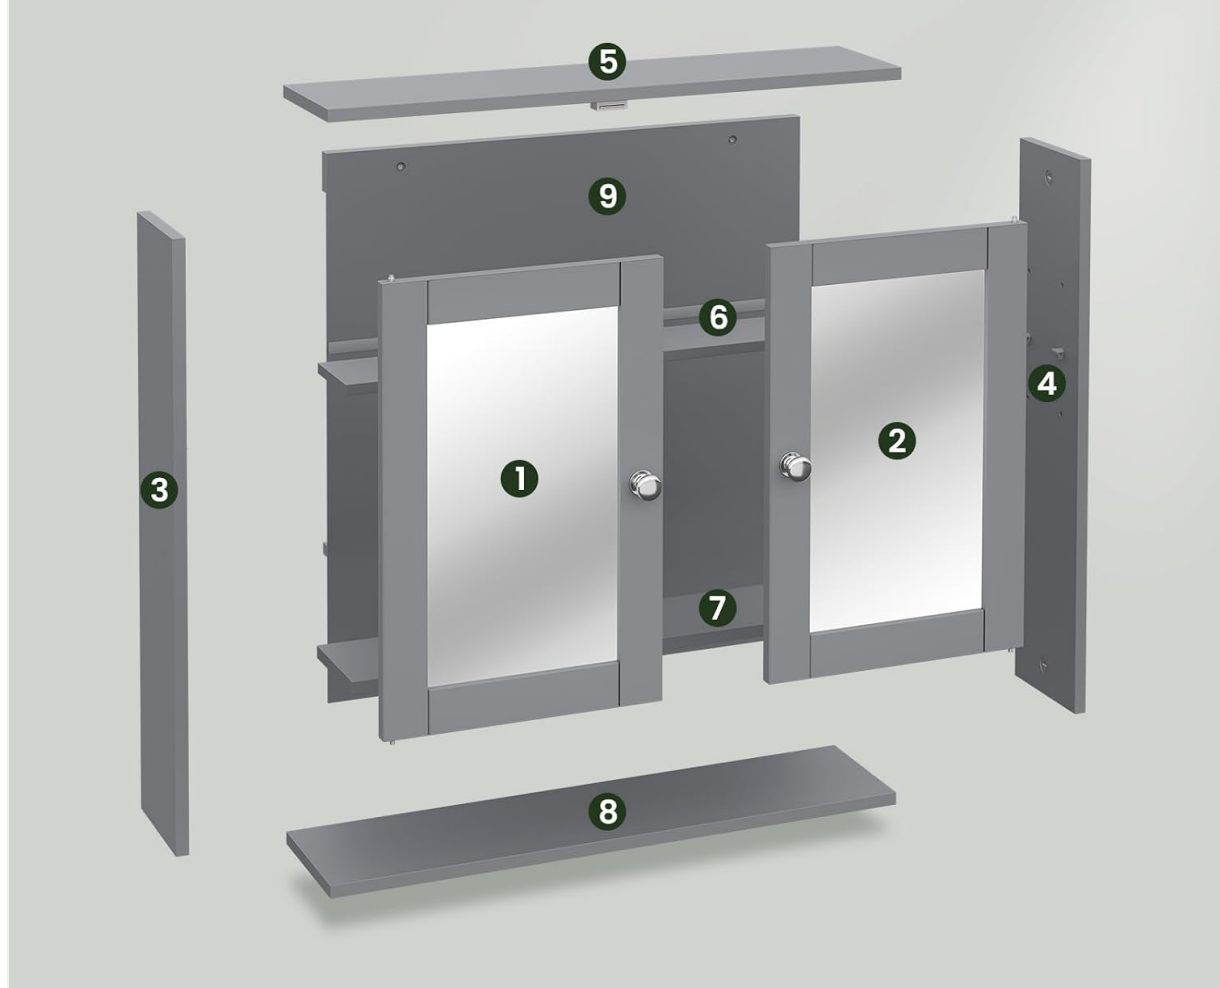

Image 3.1: Exploded view of the cabinet components with numbered labels for easy identification during assembly. The package typically includes:

- Cabinet panels (top, bottom, sides, back)
- Mirror doors with handles
- Adjustable shelf
- Mounting hardware (screws, wall anchors)
- Hinges and magnetic closures
- Instruction manual (this document)

4. SETUP & INSTALLATION

Assembly is straightforward with the provided numbered instructions. A Phillips head screwdriver and a drill (for wall mounting) are typically required.

1. **Prepare Components:** Lay out all numbered parts on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Follow the numerical sequence in the provided diagram (Image 3.1) to connect the main cabinet panels. Secure with screws.

3. **Install Shelf Supports:** Insert the shelf support pins into the desired holes inside the cabinet.
4. **Attach Hinges:** Secure the hinges to the cabinet frame and then to the mirror doors.
5. **Mount Doors:** Carefully attach the mirror doors to the hinges. Adjust as needed for proper alignment.
6. **Install Handles:** Attach the handles to the mirror doors.
7. **Wall Mounting:**
 - Choose a suitable location on a sturdy wall.
 - Mark the drilling points accurately using the cabinet's mounting holes as a template.
 - Drill pilot holes and insert appropriate wall anchors (if necessary for your wall type).
 - Securely fasten the cabinet to the wall using the provided screws.

5. OPERATION

The EUGAD mirror cabinet is designed for convenient storage and daily use.

- **Mirror Doors:** Gently open and close the mirror doors using the handles. The magnetic closures ensure they stay shut when not in use.

- **Adjustable Shelf:** The internal shelf can be adjusted to different heights or removed entirely to accommodate taller items. To adjust, remove items, lift the shelf, reposition the support pins, and place the shelf back.
- **Open Shelf:** The open bottom shelf provides easy access for frequently used items.

The Shelf Is Removable for Larger Storage Space

Image 5.2: A visual comparison demonstrating how the shelf can be removed to create a larger storage compartment for taller items.

6. MAINTENANCE

Proper care will extend the life and appearance of your cabinet.

- **Cleaning the Cabinet:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Mirror:** Use a standard glass cleaner and a lint-free cloth. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into edges.
- **Hinges and Hardware:** Periodically check all screws and connections to ensure they are tight. Lubricate hinges if they become stiff.
- **Moisture Control:** While moisture-resistant, wipe away any standing water or excessive condensation promptly to prevent long-term damage.

Image 6.1: Demonstrates the MDF material with its powder-coated finish, highlighting its ease of cleaning and scratch resistance.

7. TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

Problem	Possible Cause	Solution
Doors do not align properly.	Hinges are loose or misaligned.	Adjust the hinge screws to align the doors. Ensure the cabinet frame is level.
Cabinet feels wobbly after installation.	Not securely fastened to the wall; wall anchors insufficient.	Ensure all mounting screws are tight. Verify wall anchors are appropriate for your wall type. Re-mount if necessary.
Mirror appears cloudy or streaky.	Improper cleaning agent or cloth.	Clean with a dedicated glass cleaner and a clean, lint-free microfiber cloth.
Shelf is difficult to adjust.	Shelf pins are stuck or misaligned.	Ensure the shelf is empty. Gently wiggle the shelf to free it. Check that pins are fully inserted into the holes.

8. SPECIFICATIONS

Feature	Detail
Brand	EUGAD
Model Number	0135WY
Color	Grey
Material	Engineered Wood (MDF) and Mirror
Overall Dimensions (L x W x H)	56 x 13 x 58.3 cm (approximately 22 x 5.1 x 22.9 inches)
Mirror Door Dimensions (each)	17 x 31 cm (approximately 6.7 x 12.2 inches)
Maximum Weight Capacity	15 Kilograms (approximately 33 lbs)
Special Features	Solid MDF panels, Moisture-resistant, Adjustable shelf, Wall-mounted
Item Weight	6.05 Kilograms (approximately 13.3 lbs)

9. WARRANTY & SUPPORT

EUGAD products are manufactured with quality and durability in mind. For specific warranty details, please refer to the purchase documentation or contact your retailer.

If you require assistance with assembly, have questions about product features, or need to report a damaged or missing part, please contact EUGAD customer service. Contact information can typically be found on the product packaging or the retailer’s website.

Please have your model number (0135WY) and purchase date ready when contacting support.
