## 3. SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended that two people assemble the table to ensure stability and ease of construction. An assembly guide is included with your product packaging.

### Assembly Tips:

- Before tightening any screws completely, install all screws lightly. This allows for minor adjustments to align all parts correctly.
- Once all parts are in place and aligned, progressively tighten all screws in several passes until secure. This method helps prevent wobbling and ensures a sturdy structure.
- Ensure the table is placed on a level surface during and after assembly to prevent unevenness.

## 4. OPERATING AND USAGE

---

The VINGLI Bar Height Table is designed for both indoor and outdoor use. It is suitable for dining, casual gatherings, or as an accent piece in your patio, backyard, or garden.

### Important Usage Guidelines:

- The maximum weight recommendation for this table is **220 pounds**. Do not exceed this limit to prevent damage or injury.
- Place the table on a flat, stable surface to ensure balance and prevent tipping.
- Avoid placing extremely hot items directly on the glass surface without protective coasters.

## 5. MAINTENANCE

---

Proper care will extend the life and appearance of your VINGLI Bar Height Table.

### Cleaning Instructions:

- Clean the table with mild soap and water.
- Dry the surface immediately with a soft cloth to prevent water spots and maintain the finish.
- Avoid using harsh chemicals, abrasive cleaners, or scouring pads, as these can damage the powder-coated finish and the tempered glass.
- Regularly inspect and tighten all bolts and screws to ensure the table remains stable.

## 6. TROUBLESHOOTING

---

### Common Issues and Solutions:

- **Table Wobbles:**

- Ensure all assembly screws are tightened securely and evenly. Refer to the assembly tips in Section 3.
- Verify that the table is placed on a completely level surface. If the ground is uneven, consider using shims or small leveling pads under the legs.

- **Screws Loosening:**

- Regularly check and re-tighten all screws and bolts, especially after initial use and seasonal changes.

- **Surface Stains/Marks:**

- For stubborn marks on the tempered glass, use a glass cleaner specifically designed for glass surfaces.
- For frame marks, clean as per maintenance instructions (mild soap and water).
