Tvilum 4-Drawer Chest Instruction Manual

Model: 4-Drawer Chest | Brand: Tvilum

1. INTRODUCTION AND OVERVIEW

This manual provides detailed instructions for the assembly, use, and maintenance of your Tvilum 4-Drawer Chest. Designed for bedrooms, living areas, or entryways, this slender and sleek chest offers a space-saving storage solution. Its four wide drawers are suitable for various items, from linens to daily necessities. The chest features streamlined hardware, round feet, metal drawer liners, and an easy-to-clean foil surface, ensuring durability and functionality.

The Tvilum 4-Drawer Chest is made from engineered wood and manufactured in Denmark, reflecting a commitment to quality and contemporary design.

2. SAFETY INFORMATION

WARNING: Furniture Tip-Over Hazard. Serious or fatal crushing injuries can occur from furniture tip-over. To reduce the risk of tip-over:

- ALWAYS install the provided tip-over restraint system.
- NEVER place a television or other heavy objects on top of this product.
- NEVER allow children to stand, climb, or hang on drawers, doors, or shelves.
- NEVER open more than one drawer at a time.

Ensure the chest is placed on a level surface. For optimal stability, consider anchoring the unit to a wall using appropriate hardware (not always included, check package contents).

Hardware Kit

The hardware kit contains various screws, dowels, cam locks, and other fasteners necessary for assembly. It is recommended to sort all hardware components before starting to ensure all pieces are accounted for and to simplify the assembly process. Refer to the assembly diagram for identification of each hardware piece.

5. USAGE (OPERATING)

The Tvilum 4-Drawer Chest is designed for storing clothing, linens, and other household items. Each drawer retracts smoothly on metal glides and includes built-in safety stops to prevent accidental removal.

- **Opening/Closing Drawers:** Gently pull or push the modern plastic silver bar handles to open and close the drawers.
- **Weight Distribution:** Distribute weight evenly within the drawers and on the top surface to maintain stability and prevent damage. Refer to the weight limits in Section 2.

6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Tvilum 4-Drawer Chest, follow these care guidelines:

- **Cleaning:** Wipe the surface with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the foil surface.

- **Spills:** Promptly clean up any spills to prevent staining or damage to the engineered wood.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of the wood.
- **Hardware Check:** Periodically check and tighten all screws and fasteners to ensure the chest remains stable and secure.

7. TROUBLESHOOTING

If you encounter issues during assembly or use, consider the following common solutions:

- **Missing or Unlabeled Parts:** Double-check the entire package and compare with the parts list in the manual. If parts are genuinely missing, contact Tvilum customer support.
- **Difficulty with Assembly:** Ensure all hardware is correctly identified and sorted. Refer to the BILT app for visual guidance. Sometimes, pieces may appear similar but have subtle differences in hole placement or size.
- **Drawers Not Sliding Smoothly:** Verify that the metal glides are installed correctly and are free from obstructions. Ensure all screws securing the glides are tightened appropriately.
- **Wobbly Chest:** Confirm that all cam locks and screws are fully tightened. Ensure the chest is on a level surface. If necessary, use shims under the feet to stabilize.
