

Foset MUBA-20B

Foset MUBA-20B Ceramic Pedestal for Sink

Model: MUBA-20B | Brand: Foset

1. INTRODUCTION

This manual provides essential information for the proper installation, use, and maintenance of your Foset MUBA-20B Ceramic Pedestal. Please read these instructions carefully before beginning installation to ensure safe and correct operation. Keep this manual for future reference.

2. PRODUCT OVERVIEW

The Foset MUBA-20B is a ceramic pedestal designed to support a compatible sink, providing a stable and aesthetically pleasing base for your bathroom fixture. It features a glossy white finish for durability and easy cleaning.

- **Material:** Constructed from high-quality ceramic with a brilliant glazed finish.
- **Compatibility:** Specifically designed for use with Foset sink model MUBA-10B.
- **Color:** White.

3. SETUP AND INSTALLATION

The MUBA-20B pedestal is designed for independent installation, meaning it stands on its own and supports the sink from below. Ensure the floor surface is level and stable before installation.

3.1 Pre-Installation Checks

- Verify that you have the compatible Foset sink model MUBA-10B.
- Inspect the pedestal for any damage prior to installation.
- Ensure all necessary plumbing connections for the sink are in place and accessible.

3.2 Installation Steps

1. Position the pedestal in the desired location, ensuring it is centered beneath where the sink will be installed.
2. Carefully place the compatible Foset MUBA-10B sink onto the top of the pedestal. Ensure the sink rests securely and evenly on the pedestal's support surface.
3. Connect the sink's plumbing according to the sink's specific installation instructions.
4. Verify the stability of the assembled unit. The pedestal should bear the weight of the sink without wobbling.

4. USAGE AND FUNCTIONALITY

The Foset MUBA-20B ceramic pedestal serves as a foundational support for your bathroom sink. Its primary function is to bear the weight of the sink and conceal plumbing connections, contributing to a clean and organized bathroom appearance. Once installed, no further operational steps are required for the pedestal itself.

5. MAINTENANCE

To maintain the appearance and longevity of your ceramic pedestal, follow these simple guidelines:

- **Cleaning:** Clean the ceramic surface regularly with a soft cloth and mild, non-abrasive cleaning agents. Avoid harsh chemicals or abrasive scrubbers that can damage the glossy finish.
- **Spills:** Wipe up spills promptly to prevent staining, especially from colored liquids or chemicals.
- **Inspection:** Periodically check the stability of the pedestal and its connection to the sink. Ensure there are no cracks or chips in the ceramic.

6. TROUBLESHOOTING

If you encounter issues with your pedestal, consider the following:

- **Wobbling Pedestal:** If the pedestal feels unstable, ensure it is placed on a completely level surface. Adjustments to the floor or shims may be necessary. Re-check the secure placement of the sink on the pedestal.
- **Cracks or Chips:** Ceramic can be fragile. If cracks or chips appear, especially after installation, it may indicate improper handling or excessive force during setup. Significant damage may require replacement.
- **Incompatibility:** Ensure the pedestal is paired with the correct Foset sink model MUBA-10B. Using an incompatible sink may lead to instability or improper fit.

7. SPECIFICATIONS

Feature	Specification
Brand	Foset
Model Number	MUBA-20B
Manufacturer Part Number	MUBA-20B
Product Model Number	44005

Feature	Specification
Material	Ceramic
Color	White
Finish	Lacquered (Glossy)
Dimensions (Width x Height)	16 cm x 68 cm
Installation Method	Independent
Shape	Rectangular
Number of Holes	1 (for drain pipe)
Product Dimensions (L x W x H)	72 x 16.6 x 12.7 cm
Product Weight	8.22 kg

8. WARRANTY AND SUPPORT

This Foset product is typically covered by a **5-year warranty**, as indicated on the product packaging. For specific warranty terms and conditions, please refer to the documentation included with your purchase or contact Foset customer service.

For technical assistance or inquiries regarding your Foset MUBA-20B pedestal, please visit the official Foset website or contact their customer support channels. Ensure you have your model number (MUBA-20B) and proof of purchase available when seeking support.
