6. Maintenance

To ensure the longevity and appearance of your SONGMICS Toy and Book Organizer, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the product with a dry cloth for regular dusting. If it gets dirty, clean it with a damp cloth.
- **Drying:** After cleaning with a damp cloth, place the unit in a dry, well-ventilated environment to prevent moisture damage.
- **Avoid Direct Washing:** It is not recommended to wash the product with water directly.
- **Ventilation:** Occasionally, new products may have a slight smell. In this case, please leave it in a cool and well-ventilated place for a while before using it.

7. Troubleshooting

If you encounter any issues with your organizer, please refer to the following common troubleshooting tips:

- **Instability/Wobbling:** Ensure all screws and connections are tightened securely. Verify the anti-tip kit is properly installed and anchored to the wall.
- **Missing Parts:** Double-check the accessory kit and packaging. If parts are genuinely missing, contact customer support.
- **Damaged Panels:** Inspect all panels upon arrival. For significant damage, contact customer support for replacement parts.
- **Assembly Difficulty:** Review the assembly video and instructions carefully. Ensure dowels are fully inserted and aligned before joining panels.
