Inovance Dermovance Cellu 60 Capsules Instruction Manual

Brand: INOVANCE

PRODUCT OVERVIEW

Inovance Dermovance Cellu is a dietary supplement formulated to support skin firmness and contribute to a refined silhouette. This product is part of the Inovance range, dedicated to micronutrition excellence, aiming to make self-care and health management easier.

This image displays the packaging for Inovance Dermovance Cellu, a dietary supplement designed to support skin firmness and a refined silhouette. The box indicates it contains 60 capsules, providing a 30-day supply.

PREPARATION AND IMPORTANT INFORMATION

Before beginning any new supplement regimen, it is highly recommended to consult with a healthcare professional, especially if you have pre-existing medical conditions, are pregnant or breastfeeding, or are taking other medications. Always read the entire product label and instructions carefully before use.

- Ensure the product packaging is sealed and undamaged upon receipt.
- Familiarize yourself with the ingredients list to identify any potential allergens.
- Keep out of reach of young children.

USAGE INSTRUCTIONS

For optimal results, follow the recommended dosage and administration guidelines:

- **Dosage:** Take two (2) capsules per day.
- **Administration:** It is generally recommended to take the capsules with a glass of water, preferably during meals. For specific timing, refer to the product packaging or consult your healthcare professional.
- **Duration:** One box contains 60 capsules, providing a 30-day supply when taken as directed. Consistent use over the recommended period is advised for best outcomes.

Do not exceed the stated recommended daily dose.

STORAGE AND CARE

Proper storage ensures the quality and efficacy of the product:

- Store in a cool, dry place, away from direct sunlight and heat.
- Keep the container tightly closed when not in use.
- Do not store in a bathroom or other high-humidity areas.
- Ensure the product is stored out of the reach and sight of children.

IMPORTANT CONSIDERATIONS

While Inovance Dermovance Cellu is generally well-tolerated, it's important to be aware of potential situations:

- **Adverse Reactions:** If you experience any adverse reactions or discomfort after taking the supplement, discontinue use immediately and consult your healthcare professional.
- **Allergies:** If you have known allergies to any of the ingredients, do not use this product.
- **Missed Dose:** If you miss a dose, take it as soon as you remember, unless it is almost time for your next dose. Do not double the dose to catch up.
- **Interactions:** Inform your doctor or pharmacist if you are taking any other medications or supplements, as interactions may occur.

Dietary supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle.
