4. SETUP

1. **Unpack:** Carefully remove all puzzle components from the packaging. Ensure all pieces are present for each puzzle.
2. **Prepare Workspace:** Select a clean, flat, and stable surface large enough to accommodate the chosen puzzle.
3. **Sort Pieces (Optional):** For easier assembly, you may choose to separate the pieces for each individual puzzle if they are mixed, or sort pieces by color and pattern.

5. OPERATING INSTRUCTIONS (ASSEMBLY)

1. **Choose a Puzzle:** Select one of the eight puzzles to begin assembly. Refer to the images on the box for guidance.
2. **Find Edge Pieces:** Start by identifying all pieces with at least one straight edge. These pieces form the border of the puzzle.
3. **Assemble the Border:** Connect the edge pieces to create the frame of the puzzle. This provides a defined area for the interior pieces.
4. **Fill the Interior:** Work on the inner sections of the puzzle. Group pieces by color, pattern, or specific characters to help identify their placement.

5. **Connect Pieces:** Gently interlock the pieces. If a piece does not fit easily, do not force it, as this may damage the piece.
6. **Complete the Image:** Continue assembling until all pieces are connected and the full image is revealed.

6. MAINTENANCE AND CARE

- **Cleaning:** To clean puzzle pieces, gently wipe them with a dry, soft cloth. For minor smudges, a slightly damp cloth can be used, but ensure pieces are completely dry before storing. Do not immerse pieces in water.
- **Storage:** Store puzzles in their original box or a designated puzzle storage container to prevent loss or damage to individual pieces. Keep them in a cool, dry place away from direct sunlight.
- **Handling:** Handle puzzle pieces gently to avoid bending, tearing, or creasing the cardboard.

7. TROUBLESHOOTING

- **Missing Pieces:** If you believe a piece is missing, thoroughly check the play area, under furniture, and inside the packaging. If a piece is genuinely missing, contact Spin Master customer support for assistance.

- **Difficulty Assembling:** For younger children or those new to puzzles, start with fewer pieces or provide visual guidance by keeping the box art visible. Encourage sorting by color or shape.
- **Damaged Pieces:** If a piece is damaged upon opening, contact customer support for replacement options.
