Demóbile Estante Livreiro Office Presence

User Manual

DEMÓBILE MULTIPURPOSE BOOKSHELF OFFICE 4 SHELVES PRESENCE NOGAL

Model: Estante Livreiro Office Presence | Brand: Demóbile

1. Introduction

Thank you for choosing the Demóbile Multipurpose Bookshelf Office 4 Shelves Presence Nogal. This manual provides essential information for the safe assembly, proper use, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly or use to ensure optimal performance and longevity of the product.

This bookshelf is designed to offer sophistication and practicality, featuring a durable MDP structure and spacious shelves, ideal for organizing books, decorative items, and various documents in home office or living spaces. Its fine UV paint finish adds a touch of elegance to any environment.

2. Safety Information

Important Safety Warning: Ensure the bookshelf is correctly assembled on a flat, stable floor surface following all provided instructions. Improper assembly can lead to instability and potential injury.

- Do not exceed the maximum weight capacity of **5 kg (11 lbs) per shelf**. Overloading shelves can cause structural damage or collapse.
- Always distribute weight evenly across the shelves.
- Keep small children and pets away from the assembly area.
- Use appropriate tools as specified in the assembly instructions.
- If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.
- For added stability, consider securing the bookshelf to a wall, especially in homes with children or in earthquake-prone areas. Wall-mounting hardware may not be included.

3. Product Overview

The Demóbile Multipurpose Bookshelf is constructed from high-quality MDP (Medium Density Particleboard) for enhanced durability and resistance. It features four spacious shelves, providing ample storage and display options.

Figure 3.1: Front view of the DemóBILE Multipurpose Bookshelf, showcasing its elegant Nogal finish and four spacious shelves.

Figure 3.2: The bookshelf integrated into a home office environment, demonstrating its capacity for books, decorative items, and storage baskets.

Figure 3.3: Detailed dimensions of the bookshelf: 1.82m (Height), 0.96m (Width), and 0.32m (Depth).

Figure 3.4: Key features highlighted: MDP structure for durability, spacious shelves, 5kg weight capacity per shelf, and UV paint finish.

Figure 3.5: Visual comparison of the bookshelf's height (1.82m) relative to an average person (1.65m), illustrating its substantial presence.

4. Setup and Assembly

The DemóBILE Multipurpose Bookshelf requires assembly. While assembly service is not included, the product comes with all necessary components for self-assembly. It is recommended to have at least two people for assembly to ensure safety and ease.

4.1 Components Included:

- MDP panels (sides, top, bottom, shelves, back panel)
- Screws
- Nails
- Dowels
- Assembly instructions manual (separate document, typically included in packaging)

4.2 Recommended Tools (Not Included):

- Phillips head screwdriver
- Hammer (for nails)

- Measuring tape
- Level

4.3 Assembly Steps (General Guidelines):

1. **Unpack and Verify:** Carefully unpack all components and verify against the parts list in the separate assembly manual. Ensure no parts are damaged.
2. **Prepare Workspace:** Choose a clean, flat, and spacious area for assembly. Lay down a blanket or cardboard to protect the furniture pieces and your floor.
3. **Assemble Frame:** Begin by attaching the side panels to the base and top panels using screws and dowels as indicated in the detailed assembly manual.
4. **Install Shelves:** Insert the four shelves into the designated slots or attach them using the provided hardware. Ensure they are level and securely fastened.
5. **Attach Back Panel:** Secure the back panel to the frame using nails. This adds rigidity and stability to the bookshelf.
6. **Final Placement:** Carefully move the assembled bookshelf to its desired location. Ensure it is stable and level.
7. **Safety Check:** Double-check all screws and connections to ensure they are tight and secure before placing any items on the shelves.

5. Operating and Usage

The Demobile Multipurpose Bookshelf is designed for static storage and display. To ensure safe and effective use:

- **Load Distribution:** Distribute the weight of items evenly across each shelf. Avoid concentrating heavy items on one side or in the center of a shelf.
- **Weight Limits:** Do not exceed the maximum weight capacity of 5 kg (11 lbs) per shelf.
- **Placement:** Place the bookshelf on a flat, level surface to prevent wobbling or tipping.
- **Stability:** For optimal stability, place heavier items on lower shelves.
- **Environment:** Avoid placing the bookshelf in areas with extreme temperature fluctuations, high humidity, or direct sunlight, as these can affect the MDP material and finish.

6. Maintenance and Care

Proper care will help maintain the appearance and longevity of your Demobile bookshelf.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner specifically designed for furniture. Dry immediately with a clean cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or polishes containing silicone, as these can damage the UV paint finish.
- **Spills:** Clean up spills immediately to prevent liquid absorption into the MDP, which can cause swelling or discoloration.
- **Sunlight Exposure:** Prolonged exposure to direct sunlight can cause fading or discoloration of the finish. Position the bookshelf away from direct sunlight or use curtains/blinds.
- **Regular Checks:** Periodically check all screws and fittings to ensure they remain tight. Retighten if necessary.

7. Troubleshooting

If you encounter any issues with your bookshelf, refer to the following common troubleshooting tips:

- **Bookshelf is Wobbly/Unstable:**

- Ensure the bookshelf is placed on a completely flat and level surface. Use shims if necessary to level it.
- Check all assembly screws and connections. Tighten any loose fittings.
- Verify that all panels (sides, top, bottom, back) are correctly aligned and fully seated.

- **Shelves Sagging:**

- Check if the weight on the shelf exceeds the 5 kg (11 lbs) capacity. Remove excess weight.
- Ensure weight is evenly distributed across the shelf.
- Verify that the shelf supports are properly installed and secure.

- **Damage to Finish:**

- For minor scratches, furniture repair pens or touch-up kits matching the Nogal finish may be used.
- For significant damage, contact Demóbile customer support for advice or professional repair options.
