

VacLife VL189

VacLife VL189 Cordless Handheld Vacuum Cleaner User Manual

1. INTRODUCTION

Thank you for choosing the VacLife VL189 Cordless Handheld Vacuum Cleaner. This manual provides essential information for the safe and efficient use, maintenance, and troubleshooting of your new appliance. Please read these instructions carefully before first use and retain them for future reference.

Important Safety Instructions

- Read all instructions before using this appliance.
- Do not use the vacuum cleaner to pick up water or other liquids.
- Do not pick up burning or smoking materials, such as cigarettes, matches, or hot ashes.
- Keep hair, loose clothing, fingers, and all parts of the body away from openings and moving parts.
- Do not use without the dust cup and filter in place.
- This appliance is for household use only.

2. PRODUCT OVERVIEW

The VacLife VL189 is a lightweight, cordless handheld vacuum cleaner designed for convenient cleaning in various environments, including your home and car interior. It features a powerful motor and a built-in LED light for enhanced visibility.

3. SETUP

3.1 Charging the Vacuum Cleaner

Before first use, fully charge the vacuum cleaner. Connect the charging adapter to the charging port on the vacuum and plug it into a suitable power outlet. The indicator light will show the charging status. A full charge typically takes several hours.

HIGH-EFFICIENCY MOTOR

long-lasting suction power

31000 R/MIN

Image 3.1: The vacuum cleaner connected to its charging adapter.

3.2 Assembling the Dust Cup and Filter

Ensure the dust cup and filter are correctly assembled before use. The filter should be securely placed inside the dust cup, and the dust cup should be firmly attached to the main body of the vacuum cleaner.

4. OPERATING INSTRUCTIONS

4.1 Powering On/Off

To turn on the vacuum cleaner, press the power button located on the handle. Press it again to turn off the appliance.

4.2 Using Attachments

The VacLife VL189 comes with two main attachments:

- **Crevice Nozzle:** Ideal for cleaning tight spaces, corners, and between cushions.
- **Dusting Brush:** Useful for loosening and vacuuming dust and pet hair from surfaces like upholstery and

carpets.

To attach an accessory, simply push it firmly onto the suction opening until it clicks into place. To remove, pull it off gently.

CORDLESS DESIGN

for both home and car use

4.3 Using the LED Light

The built-in LED light automatically activates when the vacuum is turned on, providing illumination for cleaning in dimly lit areas.

5. MAINTENANCE

Regular maintenance ensures optimal performance and extends the lifespan of your Vaclife VL189 vacuum cleaner.

5.1 Emptying the Dust Cup

Empty the dust cup after each use or when it reaches its maximum capacity. To do this, detach the dust cup from the main unit and dispose of the collected debris.

5.2 Cleaning the Filter

The filter should be cleaned regularly to maintain suction power. Remove the filter from the dust cup and tap it

gently to remove loose dust. For a more thorough cleaning, the filter can be washed with water. Ensure the filter is completely dry before reinserting it into the dust cup and reattaching it to the vacuum cleaner.

5.3 Filter Replacement

VacLife offers a life-long free HEPA filter replacement program. Contact customer support for details on how to obtain replacement filters when needed.

6. TROUBLESHOOTING

If you encounter any issues with your VacLife VL189, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Vacuum does not turn on	Battery is depleted; Power button not pressed correctly	Charge the vacuum cleaner; Ensure the power button is fully pressed
Weak suction power	Dust cup is full; Filter is clogged; Suction opening is blocked	Empty the dust cup; Clean or replace the filter; Remove any obstructions from the suction opening
Vacuum not charging	Charging adapter not connected properly; Power outlet not working	Ensure the adapter is securely connected; Try a different power outlet; Contact customer support if the issue persists
