3. SETUP AND ASSEMBLY

Assembly of the LEGO Super Mario Mario's House & Yoshi Expansion Set (71367) is primarily guided by the official LEGO Super Mario app. This app provides interactive 3D building instructions, making the construction process engaging and accessible.

3.1 Digital Building Instructions

Download the free LEGO Super Mario app from your device's app store. The app contains all necessary building instructions for this set and other LEGO Super Mario products. It also allows you to track your progress and discover new ways to play.

- Download the LEGO Super Mario app.
- Select the Mario's House & Yoshi Expansion Set (71367) within the app.
- Follow the interactive 3D instructions to assemble the set.

Ensure your device is compatible by visiting the official LEGO website: [lego.com/devicecheck](https://www.lego.com/devicecheck).

4. OPERATING INSTRUCTIONS / PLAY FEATURES

This expansion set offers several interactive play features when combined with the LEGO Mario figure from the Starter Course (71360).

4.1 Interacting with Yoshi

Place LEGO Mario on the interactive tag near the Yoshi figure. LEGO Mario will react with sounds and display a heart on his chest screen, indicating a friendly interaction and earning digital coins.

5. MAINTENANCE

To ensure the longevity and proper function of your LEGO Super Mario set, follow these maintenance guidelines:

- **Cleaning:** Clean LEGO bricks with a mild soap solution and lukewarm water (max 40°C / 104°F). Rinse thoroughly and air dry. Do not use hot water, harsh chemicals, or abrasive cleaners.
- **Storage:** Store LEGO bricks in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or warping.
- **Electronic Components:** The LEGO Mario figure contains electronic components. Do not submerge it in water. Clean with a dry cloth.

6. TROUBLESHOOTING

If you encounter any issues with your LEGO Super Mario Mario's House & Yoshi Expansion Set, consider the following:

- **Missing Pieces:** If any pieces are missing, please contact LEGO Customer Service for replacements.
- **App Connectivity:** Ensure your LEGO Mario figure is fully charged and Bluetooth is enabled on your device. Restart both the figure and the app if connection issues persist.
- **Interactive Tags Not Responding:** Ensure LEGO Mario's sensor is clean and directly over the interactive tag. Check the app for any specific instructions related to the tag.
- **General Malfunction:** Refer to the troubleshooting section within the LEGO Super Mario app or visit the official LEGO support website.
