3. ASSEMBLY INSTRUCTIONS

Follow these steps for assembling your Trefl panorama jigsaw puzzle:

1. **Build the Border:** Assemble the edge pieces first to create the frame of the puzzle. This defines the overall shape and size.

2. **Work in Sections:** Based on your sorted pieces, begin assembling distinct sections of the image. Refer to the image on the puzzle box for guidance.
3. **Connect Pieces:** Carefully fit pieces together. Trefl puzzles are designed with high-quality cuts for a precise fit. Avoid forcing pieces, as this can damage them.
