Naztech N980

Naztech N980 Wireless Headset User Manual

Model: N980 | Brand: Naztech

INTRODUCTION

Thank you for choosing the Naztech N980 Wireless Headset. This headset is designed for professionals, offering crystal-clear HD sound, a noise-cancelling microphone, and Bluetooth 5.0 for seamless connectivity. Its lightweight design and high-density memory foam ensure comfort for all-day wear, making it ideal for office, remote work, and call center environments. With multipoint connectivity and up to 15 hours of talk time, the N980 keeps you connected and productive.

PACKAGE CONTENTS

- Naztech N980 Wireless Headset
- Charging Base
- AC Wall Adapter
- 4ft Charging Cable

PRODUCT OVERVIEW

Familiarize yourself with the components and controls of your Naztech N980 headset.

Image: Detailed view of the Naztech N980 headset with callouts for its features: HD Superior Sound, 15+ Hours Battery, Multipoint Connection, Noise-Cancelling Microphone, Music & Call Controls, and High-Density Memory Foam.

Headset Components & Controls

- **Adjustable Headband:** For a comfortable and secure fit.
- **Ear Cup with Memory Foam:** Provides comfort for extended wear.
- **Noise-Cancelling Microphone Boom:** Rotates 270 degrees for optimal positioning and clear voice transmission.
- **Multi-function Button:** For power, pairing, call management, and music control.
- **Volume Controls:** Adjust audio levels.
- **Micro USB Port:** For direct charging of the headset.

Engineered for Superior Calls and Comfort

The fully adjustable over-the-head design, plush memory foam ear cup, and flexible headband offer a lightweight and comfortable fit for extended wear.

SETUP

Charging the Headset

Before first use, fully charge your Naztech N980 headset. A full charge takes approximately 2 hours.

- **Using the Charging Base:** Place the headset onto the charging base, ensuring the contacts align. Connect the AC wall adapter to the charging base and plug it into a power outlet.

- **Direct Charging:** Connect the 4ft charging cable directly to the Micro USB port on the headset and to a USB power source (e.g., AC wall adapter, computer USB port).

Noise Cancelling Microphone

Speak clearly with the built-in boom mic featuring Noise Cancelling technology for crystal-clear conversations.

Rotates
270°

Multipoint Device Pairing

Connects to 2 Bluetooth devices simultaneously, allowing you to manage calls from 2 phones at once.

2 Ways to Charge

Only takes two hours to fully recharge for your next round of use

**Built-In
Micro USB port**

**Included
Charging Base**

Image: Demonstrates the two charging methods for the Naztech N980 headset: via the included charging base or directly using the built-in Micro USB port.

Bluetooth Pairing

The N980 headset supports multipoint connection, allowing it to connect to two Bluetooth devices simultaneously.

1. Ensure the headset is charged and turned off.

2. Press and hold the Multi-function button until the LED indicator flashes blue and red, indicating pairing mode.

3. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.

4. Select "Naztech N980" from the list. If prompted, enter "0000" as the passcode.

5. Once connected, the LED indicator will flash blue slowly.

6. To connect a second device (multipoint), disable Bluetooth on the first device after successful pairing. Put the headset back into pairing mode and connect to the second device. Re-enable Bluetooth on the first device; the headset should automatically reconnect to both.

OPERATING THE HEADSET

Power On/Off

- **Power On:** Press and hold the Multi-function button for 3 seconds.
- **Power Off:** Press and hold the Multi-function button for 3 seconds.

Call Management

- **Answer/End Call:** Press the Multi-function button once.
- **Reject Call:** Press and hold the Multi-function button for 2 seconds.
- **Redial Last Number:** Double-press the Multi-function button.
- **Mute/Unmute Microphone:** Press the dedicated mute button on the microphone boom (if available, or refer to device settings).

Music Playback

- **Play/Pause:** Press the Multi-function button once.
- **Next Track:** Press the Volume Up button for 2 seconds.
- **Previous Track:** Press the Volume Down button for 2 seconds.

Volume Control

- **Increase Volume:** Press the Volume Up button.
- **Decrease Volume:** Press the Volume Down button.

Stay Connected and Hands-Free

Our custom-tuned drivers provide superior HD audio,
allowing you to hear your surroundings while enjoying
dynamic sound from a single ear.

MAINTENANCE

Proper care will ensure the longevity of your Naztech N980 headset.

- Clean the headset regularly with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- Keep the charging contacts on the headset and base clean and free of dust.
- Store the headset in a cool, dry place away from extreme temperatures and direct sunlight.
- Avoid dropping the headset or subjecting it to strong impacts.
- Do not attempt to disassemble or modify the headset, as this will void the warranty.

TROUBLESHOOTING

If you encounter issues with your headset, refer to the following common problems and solutions:

Problem	Solution
Headset will not power on.	Ensure the headset is fully charged. Connect it to the charging base or directly via USB cable.
Cannot pair with device.	Ensure the headset is in pairing mode (flashing blue and red LED). Turn off and on Bluetooth on your device. Move the headset closer to your device. Clear previous Bluetooth connections on your device.
No sound or low volume.	Check the volume levels on both the headset and your connected device. Ensure the headset is properly connected to your device. Try playing audio from a different application or device.
Microphone not working or poor quality.	Ensure the microphone boom is positioned correctly near your mouth. Check microphone settings on your connected device. Ensure the microphone is not muted.
Intermittent connection.	Ensure the headset is within the Bluetooth range (10 meters) of your device. Avoid obstacles between the headset and device. Reduce interference from other wireless devices.

SPECIFICATIONS
