

Body Glove BDY-674-BLK

Body Glove Black and Gold Metal Bluetooth Wireless Earbuds User Manual

Model: BDY-674-BLK

1. INTRODUCTION

Thank you for choosing the Body Glove Black and Gold Metal Bluetooth Wireless Earbuds. These earbuds are designed to provide a dynamic audio experience with the convenience of wireless connectivity. Featuring a sleek metal housing and a tangle-resistant behind-the-neck cable, they are ideal for everyday use. This manual provides essential information on setting up, operating, and maintaining your earbuds to ensure optimal performance and longevity.

2. SAFETY INFORMATION

Please read all safety instructions carefully before using this product. Failure to follow these instructions may result in electric shock, fire, or other hazards.

- Do not expose the earbuds to extreme temperatures, humidity, or liquids.
- Do not attempt to disassemble or modify the earbuds. This will void the warranty and may cause damage.
- Keep out of reach of children and pets.
- Use only the provided USB charging cable or a certified equivalent.
- Avoid listening at high volumes for extended periods to prevent hearing damage.
- Dispose of the product responsibly according to local regulations for electronic waste.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- 1 pair of Body Glove Metal Bluetooth Wireless Earbuds
- 1 USB Charging Cable
- 1 Operation Manual (this document)

Image 3.1: The product packaging, displaying the earbuds and the included USB charging cable. The packaging is designed to allow preview of the earbuds inside.

4. SETUP

4.1 Charging the Earbuds

Before first use, fully charge your earbuds.

1. Connect the small end of the USB charging cable to the charging port on the earbuds' control unit.
2. Connect the large end of the USB cable to a USB power source (e.g., computer USB port, USB wall adapter).
3. The indicator light will show charging status (refer to the light's behavior for full charge indication, typically solid or off when charged).
4. A full charge provides up to 3 hours of music playtime and up to 2 hours of talk time.

4.2 Bluetooth Pairing

Follow these steps to pair your earbuds with a Bluetooth-enabled device:

1. Ensure the earbuds are charged and turned off.
2. Press and hold the power button on the control unit until the indicator light flashes rapidly (usually blue/red), indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "Body Glove Earbuds" or a similar name from the list of found devices.
5. Once paired, the indicator light on the earbuds will typically stop flashing and remain solid blue, or turn off.
6. If prompted for a password, enter "0000" (four zeros).

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

- **Power On:** Press and hold the power button until the indicator light turns on.
- **Power Off:** Press and hold the power button until the indicator light turns off.

5.2 Music Playback

The earbuds feature one-touch buttons on the in-line control unit for easy music management.

- **Play/Pause:** Press the multi-function button (often the power button) once.
- **Volume Up:** Press the "+" button.
- **Volume Down:** Press the "-" button.
- **Next Track:** Press and hold the "+" button (or double-press, depending on model).
- **Previous Track:** Press and hold the "-" button (or double-press, depending on model).

Note: Specific button functions for next/previous track may vary. Refer to the quick start guide included with your product for precise details.

5.3 Call Management

Manage phone calls directly from your earbuds.

- **Answer/End Call:** Press the multi-function button once.
- **Reject Call:** Press and hold the multi-function button for 2 seconds.
- **Redial Last Number:** Double-press the multi-function button.

6. MAINTENANCE

Proper care will extend the life of your earbuds.

- Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds. Do not use harsh chemicals or abrasive materials.
- Storage:** When not in use, store the earbuds in a cool, dry place, away from direct sunlight and extreme temperatures.
- Charging:** Avoid overcharging. Disconnect the earbuds once fully charged.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Earbuds do not power on.	Low battery.	Charge the earbuds fully.
Cannot pair with device.	Earbuds not in pairing mode; Bluetooth off on device; device too far.	Ensure earbuds are in pairing mode (flashing light). Turn on Bluetooth on your device. Move device closer to earbuds. Forget previous pairings on your device and try again.
No sound or low volume.	Volume too low on earbuds or device; earbuds not properly paired.	Increase volume on both earbuds and your device. Re-pair the earbuds.
Sound cuts in and out.	Device too far; interference.	Move closer to your device (within 15 feet). Avoid obstacles between earbuds and device.
Battery drains quickly.	Earbuds not fully charged; aging battery.	Ensure earbuds are fully charged before use. Battery life naturally degrades over time.
