5. CARE AND MAINTENANCE

To ensure the longevity and appearance of your ovios patio furniture, follow these care instructions:

- **Frame Care:** Wipe the wicker frame with a damp cloth to clean. For stubborn dirt, use a mild soap solution and rinse thoroughly. Wipe dry.
- **Cushion Care:** The thickened, high-density, and high-resilience sponge cushions are covered with breathable olefin fabric. The covers are water-resistant and feature a zipper design, making them removable and washable. For best results, machine wash on a gentle cycle with cold water and air dry. Do not tumble dry.
- **Weather Protection:** While the set is designed for all-weather use, covering the furniture during prolonged periods of harsh weather (heavy rain, snow, intense sun) or when not in use can significantly extend its lifespan and maintain its appearance.

6. TROUBLESHOOTING

If you encounter any issues with your ovios patio furniture set, please refer to the following common solutions:

- **Cushion Flatness:** Fluff cushions regularly to maintain their shape and resilience. If covers are removed for washing, ensure cushions are fully dry before reinserting.
