Mighty Fleet Motorized Tow Truck (Model 57116) Instruction Manual

Brand: Mighty Fleet | Model: 57116

INTRODUCTION

This manual provides essential information for the safe and proper operation of your Mighty Fleet Motorized Tow Truck. Please read all instructions carefully before use to ensure optimal performance and longevity of the product. This toy is designed for children aged 36 months to 6 years.

SAFETY INFORMATION

- **Adult Supervision:** Always ensure adult supervision during play.
- **Battery Safety:** Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries. Remove batteries if the toy is not used for an extended period.
- **Choking Hazard:** Small parts may be generated. Not for children under 3 years.
- **Intended Use:** This toy is intended for play purposes only. Do not use for actual towing of heavy objects.

SETUP

Battery Installation

1. Locate the battery compartment on the underside of the tow truck.
2. Using a screwdriver (not included), open the battery compartment cover.
3. Insert 3 AA batteries, ensuring correct polarity (+/-) as indicated inside the compartment. *Note: 3 AA batteries are included with the product.*
4. Replace the battery compartment cover and secure it with the screw.

OPERATING INSTRUCTIONS

Activating Lights and Sounds

- Press the 'Engine Start' button located on the side of the truck's cab to activate realistic engine sounds and flashing lights.
- Pushing the truck forward or backward will trigger additional driving and backup sounds.

Motorized Winch Operation

- The tow truck features an interactive motorized winch. Locate the control lever or button for the winch mechanism.
- Use the control to raise and lower the winch hook, simulating towing operations.
- Attach the hook to compatible toy vehicles or objects for imaginative play.

Using Traffic Cones

- Two traffic cones are included to enhance realistic play scenarios.
- Place the cones around simulated breakdown areas or to mark off play zones.

MAINTENANCE

Cleaning

- Wipe the toy with a damp cloth to clean. Do not immerse in water.
- Avoid using harsh chemicals or abrasive cleaners.

Battery Replacement

- When sounds or lights become faint, it is time to replace the batteries.
- Follow the battery installation steps outlined in the Setup section.

TROUBLESHOOTING

- **No Lights/Sounds:** Check battery installation and ensure batteries are fresh. Verify the 'Engine Start' button is pressed.
- **Winch Not Operating:** Ensure the control mechanism is engaged correctly. Check for any obstructions in the winch line or gears.

- **Intermittent Function:** Replace batteries with new ones. Ensure all connections are secure.

SPECIFICATIONS

Feature	Detail
