# JDY Women's Jumper User Manual

Model: 15180497

## 1. PRODUCT OVERVIEW

The JDY Women's Jumper is a plain knitted top designed with a stylish V-neck. Its slim fit allows for versatile styling, making it suitable for combination with various trousers and skirts. This garment, specifically the JDYNANNA S/L KNT NOOS Top in Pastel Lilac, offers a comfortable and elegant addition to your wardrobe.

## 2. FIRST USE AND CARE

### 2.1 Initial Inspection

Upon receiving your jumper, carefully inspect it for any signs of damage or manufacturing defects. Ensure all seams are intact and the fabric is consistent. If any issues are found, please refer to the support section.

### 2.2 Care Instructions

Proper care is essential to maintain the quality and longevity of your JDY Jumper. While specific care instructions are not provided on the product listing, general guidelines for knitted garments made of 80% Viscose and 20% Nylon are as follows:

- Washing:** Hand wash in cold water or machine wash on a delicate cycle with cold water. Use a mild detergent.
- Drying:** Lay flat to dry on a clean, dry surface to prevent stretching or distortion. Avoid hanging, as this can cause the garment to lose its shape. Do not tumble dry.
- Ironing:** If necessary, iron on a low heat setting, preferably inside out, to protect the fabric.
- Bleaching:** Do not bleach.
- Storage:** Store folded in a drawer or on a shelf to maintain its shape.

## 3. WEARING AND STYLING

The JDY Women's Jumper is designed for comfort and versatility. Its slim fit accentuates the silhouette while the V-neck adds a touch of elegance.

- Versatile Combination:** This top can be easily paired with various bottom wear, including jeans, tailored trousers, or skirts, making it suitable for both casual and semi-formal occasions.
- Layering:** Its slim design makes it an excellent layering piece under blazers, cardigans, or jackets during cooler weather.
- Accessorizing:** The V-neck provides an ideal frame for necklaces or scarves, allowing for personalized styling.

#### 4. TROUBLESHOOTING

While the JDY Jumper is designed for durability, occasional issues may arise. Here are some common concerns and their potential solutions:

- Shrinking:** If the garment appears to have shrunk, it is likely due to washing in hot water or tumble drying. Always follow the recommended cold wash and flat dry instructions.
- Pilling:** Small balls of fiber (pills) can form on the surface of knitted garments due to friction. These can be carefully removed with a fabric shaver or a lint roller.
- Stretching/Loss of Shape:** This can occur if the garment is hung wet or stored improperly. Always lay flat to dry and store folded.
- Color Fading:** To prevent color fading, wash with similar colors in cold water and avoid direct prolonged exposure to strong sunlight when drying.
