WOSTOKE 9"-Quad-Core-1G-16G

WOSTOKE Android Autoradio Car Navigation Stereo GPS Radio Instruction Manual

Model: 9"-Quad-Core-1G-16G for Hyundai Sonata 2010-2014

1. PRODUCT OVERVIEW

This WOSTOKE Android Autoradio is a car navigation stereo system designed for Hyundai Sonata models from 2010 to 2014. It features a 9-inch IPS touch screen, Bluetooth, and WiFi connectivity, offering a range of functions including navigation, video playback, music, and steering wheel control integration. The system is built on a powerful Android platform, allowing for expanded capabilities beyond standard OEM equipment.

2. INCLUDED COMPONENTS

The package includes the following items:

- 1x Car Android Head Unit with Mask
- 1x GPS Antenna
- 1x Power Cable (Plug & Play)
- 2x USB Port Cables
- 1x RCA Expand Cable
- 1x RCA Connector for Reverse Camera
- 1x Install Kit (GIFT)
- 1x External Mic (GIFT)
- 1x AHD 720 Reverse Camera (GIFT)

3. IMPORTANT INSTALLATION NOTE

CANBUS Requirement: If your vehicle has an original amplifier or a large colorful screen/factory navigation system, it likely has an amplifier. In such cases, a separate CANBUS unit must be purchased and installed to ensure proper sound functionality. Failure to install a CANBUS may result in no audio output from the system.

6. TROUBLESHOOTING

No Sound After Installation

If you experience no sound after installing the head unit, it is highly probable that your vehicle has an original amplifier. In such cases, a separate CANBUS unit is required for proper audio functionality. Please ensure you have purchased and correctly installed the appropriate CANBUS for your vehicle model.

Steering Wheel Controls Not Working

Ensure that the steering wheel control wiring is correctly connected. Access the "Steering Wheel Learning" settings within the Car Settings menu to program the buttons. Follow the on-screen prompts to bind each steering wheel button to its corresponding function on the head unit.

Difficulty with Wireless Connectivity (CarPlay/Android Auto)

For wireless CarPlay or Android Auto, ensure your phone's Bluetooth is enabled and paired with the head unit. Also, verify that your phone's personal hotspot is active and the head unit is connected to it. Some systems may require specific apps on your phone for mirroring; refer to the app's instructions for setup.

7. WARRANTY AND SUPPORT

The WOSTOKE Android Autoradio comes with a one-year warranty covering non-human damage. For any questions, technical assistance, or warranty claims, please contact the seller directly for support. Your consultation is always welcomed.
