ZWILLING 2 in 1 Water Bottle and Mixing Container Instruction Manual

Model: 36420-014-0

PRODUCT OVERVIEW

The ZWILLING 2 in 1 Water Bottle and Mixing Container is designed for versatile use, functioning both as a portable drinking bottle and a mixing container for preparing smoothies, shakes, and juices. It features a transparent cup made from BPA-free Tritan plastic, an ergonomic design for comfortable handling, and a measuring scale for precise capacity readings.

This container includes a screw-on cap with a hand strap for easy transport and is compatible with the Zwilling stand mixer (model 36420-010-0). All components are dishwasher safe for effortless cleaning and offer space-saving storage due to its compact size.

SETUP AND INITIAL USE

1. **Unpacking:** Carefully remove all components from the packaging. Ensure all parts, including the bottle and cap, are present.
2. **Initial Cleaning:** Before first use, wash all parts of the water bottle and mixing container thoroughly. It is recommended to wash them in a dishwasher or by hand using warm soapy water. Rinse completely and allow to air dry.
3. **Assembly:**
 - Ensure the bottle is clean and dry.
 - If using as a mixing container with a compatible Zwilling stand mixer (model 36420-010-0), attach the bottle securely to the mixer base according to the mixer's instructions.

- For use as a drinking bottle, ensure the screw-on cap is clean and ready for use.

OPERATING INSTRUCTIONS

Using as a Mixing Container:

1. **Add Ingredients:** Place your desired ingredients for smoothies, shakes, or juices into the transparent container. Use the integrated measuring scale (in ml) for accurate proportions.
2. **Attach to Mixer:** Securely attach the container to a compatible Zwilling stand mixer (model 36420-010-0). Refer to your mixer's instruction manual for specific attachment procedures.
3. **Blend:** Operate the mixer according to its instructions until your mixture reaches the desired consistency.
4. **Remove and Cap:** Once blending is complete, carefully remove the container from the mixer. Screw on the provided cap tightly to prevent leaks.

Using as a Drinking Bottle:

1. **Fill:** Pour your beverage (water, juice, smoothie, etc.) into the container. The 600 ml capacity is indicated by the measuring scale.
2. **Secure Cap:** Screw the cap onto the bottle firmly to ensure a leak-proof seal. The cap features a hand strap for convenient carrying.
3. **Transport:** Use the integrated hand strap for easy carrying while on the go.
4. **Drinking:** Unscrew the cap to drink directly from the bottle.

CARE AND MAINTENANCE

- **Cleaning:** All parts of the ZWILLING 2 in 1 Water Bottle and Mixing Container are dishwasher safe. For best results, place components on the top rack of your dishwasher.
- **Hand Washing:** If washing by hand, use warm water and a mild dish soap. Use a bottle brush for thorough cleaning of the interior. Rinse all parts thoroughly to remove any soap residue.
- **Drying:** Allow all components to air dry completely before reassembling or storing to prevent odor and bacterial growth.
- **Storage:** Store the bottle and cap separately or with the cap loosely placed on top to allow for air circulation. Store in a clean, dry place.
- **Material Care:** The container is made from BPA-free Tritan plastic. Avoid using abrasive cleaners or scrubbers that could scratch the surface.

TROUBLESHOOTING

- **Leakage:**
 - Ensure the cap is screwed on tightly and correctly aligned with the bottle threads.

- Check for any food particles or debris on the rim of the bottle or inside the cap that might prevent a proper seal. Clean thoroughly if necessary.
- Inspect the cap and bottle for any cracks or damage. If damaged, discontinue use.
- **Difficulty Cleaning:**
 - For stubborn residues, soak the bottle in warm soapy water for a period before scrubbing.
 - Use a bottle brush to reach all internal surfaces.
 - Ensure immediate cleaning after use, especially with thick or sugary mixtures, to prevent drying and sticking.
- **Odor Retention:**
 - Wash thoroughly and ensure complete drying before storage.
 - For persistent odors, a mixture of baking soda and water can be used to soak the bottle, followed by thorough rinsing.

PRODUCT SPECIFICATIONS

Brand	Zwilling
Model Number	36420-014-0
Material	BPA-free Tritan Plastic
Capacity	600 ml (20.3 Ounces)
