

## ABRAMTEK E8

# ABRAMTEK E8 Wireless Earbuds User Manual

Model: E8 (ATMKE8BK)

## INTRODUCTION

Thank you for choosing the ABRAMTEK E8 Wireless Earbuds. These earbuds are designed for comfort and high-quality audio, featuring a compact design suitable for small ear canals and an ultra-lightweight build for fatigue-free listening. This manual provides essential information for setup, operation, maintenance, and troubleshooting to ensure optimal performance of your device.

---

## WHAT'S IN THE BOX

- ABRAMTEK E8 Bluetooth Earbuds
- Wireless Charging Case
- Eartips (S/M/L sizes)
- USB-C Cable
- User Manual

---

## SETUP

### Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C cable to the charging case and a power source. The charging case provides an extra 10 hours of playtime, while the

earbuds offer 3-4 hours on a single charge. A full charge for the case takes approximately 4 hours.

# GREAT FOR SMALL EARS

Image: The compact charging case is designed for easy portability, fitting into small pockets.

## Initial Pairing

1. Ensure your device's Bluetooth is turned on.
2. Remove both earbuds from the charging case. They will automatically enter stereo pairing mode.
3. On your device, search for "ABRAMTEK E8" in the Bluetooth settings and select it to connect.
4. Once connected, you will hear an audio confirmation.

The latest Bluetooth technology enhances signal transmission, providing a faster and more stable connection for a superior wireless audio experience.

## OPERATING INSTRUCTIONS

### Wearing the Earbuds

Select the appropriate eartip size (S, M, or L) for a secure and comfortable fit. The ergonomic design ensures the earbuds stay firmly in place, even during intense workouts.

Image: The ABRAMTEK E8 earbuds are designed to fit comfortably in small ear canals.

### Controls

The earbuds feature physical buttons for control. Refer to the quick start guide (included in the box) for

specific button functions such as play/pause, track skipping, and call management. A built-in noise-cancelling microphone ensures high-quality call performance.

### **Single Earbud Use**

You can use either the left or right earbud independently. Simply take one earbud out of the charging case for instant use, ideal for driving or office work where you need to be aware of your surroundings.

Image: The earbuds support single-earbud use for convenience.

### **Audio Quality**

High-performance speaker units combined with exclusive tuning technology deliver balanced sound across bass, mids, and highs. Experience authentic-sounding audio with delicate details and a broad vocal range.

---

## **MAINTENANCE**

### **Cleaning and Care**

Regularly clean the earbuds and charging case with a soft, dry cloth. Avoid using abrasive materials or harsh chemicals.

### **Water Resistance**

The ABRAMTEK E8 earbuds are IPX7 waterproof, meaning they are protected against rain and sweat. This makes them suitable for sports and workouts. However, they are not designed for swimming or submersion in water.

# IPX7 WATERPROOF

## Against rain and sweat

Image: The IPX7 waterproof rating protects the earbuds from sweat and rain.

## TROUBLESHOOTING

- **Earbuds not pairing:** Ensure both earbuds are removed from the case and your device's Bluetooth is on. If issues persist, try forgetting the device on your phone and re-pairing.
- **No sound from one earbud:** Place both earbuds back into the charging case, close the lid, wait a few seconds, then remove them again. This often re-syncs them.
- **Earbuds automatically connecting when in case:** Ensure the charging case is closed properly. If

the earbuds are fully charged and the case is open, they might attempt to connect.

- **Poor sound quality:** Check the eartip fit. A proper seal is crucial for optimal sound. Ensure the earbuds are clean and free of debris.
- **Charging issues:** Verify the USB-C cable is securely connected to both the case and the power source. Ensure the charging contacts on the earbuds and inside the case are clean.

## SPECIFICATIONS

Feature	Detail
Model Name	E8
Item Model Number	ATMKE8BK
Connectivity Technology	Wireless (Bluetooth 5.0)
Bluetooth Range	10 Meters
Earbud Weight	0.13 Ounces (approx. 3.6g)
