Ontel BEBR-MC4

Ontel Beyond Bright LED Ultra-Bright Garage Light Instruction Manual

Model: BEBR-MC4

Product Overview

The Ontel Beyond Bright LED Ultra-Bright Garage Light is designed to illuminate garages, workshops, and other utility areas with powerful, energy-efficient lighting. Featuring three adjustable panels, this light provides 4 times brighter illumination than a standard 60-Watt light bulb, ensuring ample light for any task.

- **LED Ceiling Light:** Brighten up your garage workshop or home and work space with the Beyond Bright Ultra-Bright Garage Light and give utility areas plenty of light! The 40-Watt light panels give 4 times brighter light than a standard 60-Watt light bulb.
- **Beyond Bright:** Featuring 96 ultra-bright LEDs with 3,500 Lumens (CRI - 82) of pure white light, the Garage Light will instantly illuminate any indoor or foyer space; Great for use in the garage, closet, workshop, farmhouse, shop, hallway, and more.
- **Flexible Lighting:** The three light panels of the Garage Light are adjustable up to 90 degrees, giving you the flexibility to aim the light in any area of your garage or work space; Simply turn the panels at the hinges to improve lighting in any dark corner.
- **Energy Efficient:** Beyond Bright's super bright LED panels are energy efficient and operate on just 40 Watts while giving off more light than any ordinary 60 Watt light bulb; Experience long lasting, brighter than ever lighting in your home or workspace.

Setup and Installation

The Beyond Bright LED Garage Light is designed for quick and easy installation, requiring no special tools or complicated wiring. Simply screw the light fixture into an existing standard light socket on your ceiling or wall.

Image: The Beyond Bright light unit with its screw-in base, illustrating how it easily installs into a standard light socket.

To install, ensure the power to the light socket is turned off at the circuit breaker. Carefully screw the base of the Beyond Bright light into the socket until it is secure. Once installed, restore power to the socket.

Operation

The Beyond Bright LED Garage Light features three adjustable light panels, allowing you to direct light precisely where it's needed. Each panel can be independently adjusted up to 90 degrees.

Image: A close-up view of the light panels, demonstrating their 90-degree adjustability to customize light direction.

To adjust the light, gently pivot each panel at its hinge to achieve the desired angle. This flexibility helps eliminate dark spots and ensures optimal illumination across your space. The light operates via your existing light switch.

Maintenance

The Ontel Beyond Bright LED Garage Light is designed for durability and long-lasting performance, utilizing advanced LED technology. With an estimated lifespan of over 30 years, minimal maintenance is required.

- **Cleaning:** To clean the light, ensure the power is off. Use a soft, dry cloth to wipe away dust or debris. Do not use liquid cleaners or abrasive materials.
- **Longevity:** The energy-efficient LED panels are built to last, significantly reducing the need for frequent bulb replacements.

Troubleshooting

Problem	Possible Cause	Solution
Light does not turn on	No power to the socket; Loose connection; Defective unit.	Check circuit breaker. Ensure light is screwed in tightly. If issue persists, contact customer support.
Light is dim or flickers	Loose connection; Incompatible dimmer switch.	Ensure light is screwed in tightly. Note: This light is not designed for use with dimmer switches.
Panels do not adjust smoothly	Minor debris in hinge; Excessive force applied.	Gently clean hinges. Avoid forcing panels beyond their intended range of motion.

Product Specifications

Feature	Detail
Brand	Ontel
Model Name	BEBR-MC4
Light Source Type	LED
Brightness	3500 Lumens
Wattage	40 watts
Voltage	120 Volts (AC)
Number of Light Sources	96
Adjustable Panels	3 (up to 90 degrees)
Installation Type	Flush Mount (screws into standard light socket)
Material	Metal
Item Weight	16 ounces
Product Dimensions	5.3"L x 7.7"W x 9.6"H
Indoor/Outdoor Usage	Indoor
UPC	735541248191
