DRMOIS B085MBQYML

DRMOIS Portable Folding Camping Cot User Manual

Model: B085MBQYML

INTRODUCTION

Thank you for choosing the DRMOIS Portable Folding Camping Cot. This oversized outdoor bed is designed for comfort, durability, and portability, making it an ideal companion for various activities such as camping, beach trips, travel, or even a quick nap at the office. Constructed with robust materials and an ergonomic design, this cot provides a stable and comfortable sleeping surface. Please read this manual thoroughly to ensure proper setup, operation, and maintenance of your camping cot.

PRODUCT FEATURES

- **Robust and Stable Construction:** Features unique 25mm square steel tubes and an innovative X-pattern design, providing superior stability compared to round tubes. Supports a weight capacity of up to 450 lbs (204.1 kg).
- **Durable and Eco-Friendly Fabric:** Made from 1680D 3-layer breathable Oxford fabric, offering excellent resistance to wear and water. The material is environmentally friendly.
- **Ergonomic Design:** Includes a curved frame for headrest positioning, designed to alleviate pressure on the back, neck, and shoulders.
- **Convenient Storage:** Equipped with a side pocket featuring an external mesh pouch for easy access to personal items like mobile phones, keys, or water bottles.
- **Easy Setup and Portability:** Compact and incredibly quick to set up and fold.
- **Anti-Slip Feet:** Designed with anti-slip feet for enhanced stability on various surfaces.

SETUP INSTRUCTIONS

Setting up your DRMOIS camping cot is quick and straightforward. Follow these steps for a hassle-free assembly:

1. **Unfold the Cot:** Remove the cot from its carry bag. Place the folded cot on a flat surface.
2. **Extend the Legs:** Gently pull the two ends of the cot apart. The X-frame legs will begin to unfold automatically.
3. **Lock into Place:** Continue pulling the ends until the cot is fully extended and the central hinges lock into a stable, flat

position. Ensure all leg supports are fully extended and locked.

4. **Check Stability:** Before use, gently press down on the cot to ensure it is stable and all locking mechanisms are engaged.

10 SECONDS SETUP

OPERATING INSTRUCTIONS

Once set up, the DRMOIS camping cot is ready for use. Its ergonomic design ensures comfort for various body types.

- **Weight Distribution:** The cot is designed to distribute weight effectively, with approximately 10% support for the head, 70% for the waist and hip, and 20% for the legs, promoting a comfortable resting posture.
- **Side Pocket Use:** Utilize the integrated side pocket to keep small personal items organized and within reach.
- **Folding for Storage:** To fold, reverse the setup process. Unlock the central hinges and bring the two ends together

until the cot is compact. Secure it with any integrated straps and place it back into the carry bag.

ERGONOMIC DESIGNED COT

Legs 20%

Waist & Hip 70%

Head 10%

MAINTENANCE

Proper maintenance will extend the life of your DRMOIS camping cot.

- **Cleaning:** Wipe down the fabric with a damp cloth and mild soap if necessary. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Ensure the cot is completely dry before folding and storing to prevent mold or mildew growth.
- **Storage:** Store the cot in its carry bag in a cool, dry place away from direct sunlight when not in use.
- **Inspection:** Periodically check all frame connections and fabric for any signs of wear or damage.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Cot feels unstable after setup.	Legs not fully extended or locked.	Ensure all X-frame legs are fully extended and the central hinges are locked into place. Apply gentle pressure to confirm stability.
Difficulty folding the cot.	Hinges might be stiff or not disengaged.	Apply gentle force to disengage the central locking mechanism. Ensure no fabric is caught in the hinges.
Fabric appears loose or stretched.	Normal wear over time or improper setup.	Ensure the cot is fully extended and locked. Minor stretching is normal with use. If significant, contact customer support.
