## SETUP AND ASSEMBLY

Follow these steps to assemble the crib and high chair components of your deAO Baby Doll Set.

### Crib Assembly

1. Unpack all crib components: two side panels, two end panels, and the base.
2. Align the pegs on the side panels with the holes on the end panels. Gently push them together until they click into place.
3. Insert the crib base into the assembled frame, ensuring it sits securely.
4. Attach the rocking feet to the bottom of the crib.
5. Secure the mobile arm to the designated slot on the crib's headboard. Hang the mobile toys from the arm.
6. Place the pillow inside the crib.

## MAINTENANCE AND CARE

---

To ensure the longevity and cleanliness of your deAO Baby Doll Set, follow these care instructions:

- **Cleaning:** Wipe all plastic components (crib, high chair, accessories) with a damp cloth and mild soap. Rinse thoroughly and air dry. Do not immerse the doll or accessories in water unless specified.
- **Doll Care:** The baby doll is made with soft fabrics. Spot clean the doll's clothing and body with a damp cloth as needed. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the play set in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Inspection:** Periodically inspect all parts for any signs of wear, damage, or loose connections. Discontinue use if any part is broken or damaged.

## TROUBLESHOOTING

---

This section addresses common questions or minor issues you might encounter.

<b>Problem</b>	<b>Possible Cause</b>	<b>Solution</b>
Crib/High Chair parts do not fit.	Incorrect alignment or orientation.	Refer to the assembly diagrams (Figure 3, Figure 4) and ensure parts are aligned correctly before applying pressure. Do not force parts.
Missing accessories.	Items may be overlooked in packaging.	Carefully check all packaging materials. If items are genuinely missing, contact deAO customer support.
