Image: The six mini characters included in the pack: Cory Carson (orange car), Halle Copter (blue helicopter), Frannie Fenderson (pink car), Freddie Firetruck (red fire truck), Timmy O'Tool (green bulldozer), and Kimmy O'Tool (yellow demolition vehicle).

## Safety Information

**Choking Hazard:** This product contains small parts and is not suitable for children under 2 years of age. Adult supervision is recommended during play. Item does not require battery operation or adult assembly.

## Setup

1. **Unpack:** Carefully remove all six mini characters and the Parents' Guide from the packaging.
2. **Inspect:** Check all characters for any damage before play.
3. **Ready to Play:** The mini characters are non-electronic and do not require batteries or assembly. They are ready for immediate play.

## Operating Instructions

The VTech Go! Go! Cory Carson PlayZone Mini Characters are designed for interactive play, both independently and with compatible playsets.

- **Independent Play:** Children can enjoy imaginative role-play with the mini characters on their own, creating their own adventures in Bumperton Hills.
- **PlayZone Interaction:** Place the mini characters on PlayZone locations found on Go! Go! Cory Carson playsets (sold separately). When placed correctly, the playset will light up and play unique phrases, fun sound effects, and music specific to the character and the show.
- **Collect and Expand:** Collect all of Cory Carson's friends and playsets (each sold separately) to

expand the play experience and create a larger Bumperton Hills world.

Image: A child engages in imaginative play with the Go! Go! Cory Carson mini characters, demonstrating typical usage.

## Maintenance

- **Cleaning:** To clean the mini characters, wipe them with a slightly damp cloth. Do not immerse them in water.
- **Storage:** Store the characters in a cool, dry place away from direct sunlight when not in use.
- **Care:** Avoid dropping the characters or subjecting them to excessive force, as this may cause damage.

## Troubleshooting

As these are non-electronic toys, troubleshooting is minimal. If you encounter any issues, consider the following:

- **Character Interaction with Playsets:** Ensure the mini character is placed correctly on the designated PlayZone location of a compatible Go! Go! Cory Carson playset. Playsets are sold separately and are required for character-specific sounds and phrases.

- **Physical Damage:** If a character is physically damaged, discontinue use and contact VTech customer support for assistance.
