SETUP

1. **Unboxing:** Carefully remove the figure and any accessories from the packaging. Retain packaging for future reference or storage.
2. **Inspection:** Examine the figure for any visible damage or missing parts. If any issues are found, refer to the "Warranty and Support" section.
3. **Accessory Attachment:** If your figure includes separate accessories, gently attach them to the designated points on the figure. Refer to the product images for guidance.

OPERATING THE FIGURE

The King Kong figure features articulated joints for posing. Handle the figure gently to avoid damage.

- **Articulation:** The figure's arms, legs, and head may have points of articulation. Carefully move

these joints to achieve desired poses. Avoid excessive force to prevent breakage.

- **Posing:** Position the figure on a flat, stable surface for display. Experiment with different poses to recreate scenes or create new ones.

MAINTENANCE

- **Cleaning:** To clean the figure, gently wipe it with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the figure in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation or discoloration.

TROUBLESHOOTING

- **Stiff Joints:** If a joint feels stiff, gently manipulate it back and forth. Avoid forcing the joint.
- **Loose Parts:** If any parts become loose, ensure they are properly reattached. If a part is broken, refer to the "Warranty and Support" section.
