# FREDORCH F09 Big Dildo Attachment User Manual

Model: F09

## INTRODUCTION

This manual provides essential instructions for the safe and effective use of your FREDORCH F09 Big Dildo Attachment. Please read this manual thoroughly before initial use and retain it for future reference.

## SAFETY INFORMATION

- The attachment is made from safe materials. However, always inspect the product for any damage or defects before each use.
- Clean the attachment thoroughly before and after each use as per the maintenance instructions.
- This product is designed for adult use only.
- Discontinue use immediately if you experience any discomfort or irritation.
- Keep out of reach of children.

## SETUP

The FREDORCH F09 Big Dildo Attachment is designed for use with FREDORCH A2, F2, and F3 sex machines that feature a 3XLR interface.

1. Ensure your FREDORCH sex machine is powered off and unplugged before attaching or detaching accessories.
2. Align the 3XLR connector on the base of the F09 attachment with the 3XLR port on your compatible sex machine.
3. Gently push the attachment into the port until it clicks securely into place. Ensure a firm connection.
4. To detach, press the release button (if present on your machine's 3XLR port) and pull the attachment straight out.

## MAINTENANCE

---

### Cleaning

- Always clean the attachment thoroughly before and after each use.
- Wash with warm water and a mild, toy-safe soap.
- Rinse thoroughly to remove all soap residue.
- Pat dry with a lint-free cloth or allow to air dry completely before storage.
- Do not use harsh chemicals, alcohol-based cleaners, or abrasive materials, as these may damage the product material.

### Storage

- Store the attachment in a clean, dry, and cool place, away from direct sunlight and extreme temperatures.

- Keep it separate from other toys made of different materials to prevent potential reactions or damage.

## TROUBLESHOOTING

---

**Attachment does not fit the machine:**

Ensure your machine is a FREDORCH A2, F2, or F3 model and has a 3XLR interface. Verify the attachment's 3XLR connector is correctly aligned with the machine's port. Do not force the connection.

**Product dimensions seem different from description:**

Product dimensions are measured manually and may have slight variations due to measurement tools and environmental factors. These minor differences do not affect product functionality.
