MoKo P840034643268

MoKo Lightning Female to USB C Male Adapter Instruction Manual

Model: P840034643268

INTRODUCTION

This manual provides instructions for the MoKo Lightning Female to USB C Male Adapter. This adapter allows you to connect devices with a USB-C port to a Lightning cable for charging and data transfer. It is designed for convenience and compatibility across various devices.

PACKAGE CONTENTS

- 2 x MoKo Lightning Female to USB-C Male Adapters

SETUP

The MoKo Lightning Female to USB C Male Adapter is designed for plug-and-play functionality, requiring no additional drivers or software installation.

1. **Identify the Connectors:** The adapter features a USB-C male connector on one end and a Lightning female port on the other.
2. **Connect to Your Device:** Insert the USB-C male connector of the adapter into the USB-C port of your compatible device (e.g., iPhone 15 series, iPad Pro/Air, Samsung Galaxy, Google Pixel).
3. **Connect Lightning Cable:** Plug your Lightning cable into the Lightning female port of the adapter.
4. **Connect to Power/Data Source:** Connect the other end of your Lightning cable to a power adapter for charging or to a computer for data transfer.

Image: Two MoKo Lightning Female to USB C Male Adapters. The black adapter shows the USB-C male connector, while the silver adapter displays the Lightning female port. Both adapters feature a 35W power indicator.

OPERATING INSTRUCTIONS

Charging

- The adapter supports fast charging, including 35W PD (DC20V/1.75A) and 27W PD (DC9V/3A). It is also backward compatible with lower power charging.
- Ensure your power adapter and Lightning cable support the desired charging speed for optimal performance.

Data Transfer

- The adapter facilitates data transfer with a rate of up to 480 Mbps.
- Connect your device to a computer using the adapter and a Lightning cable to synchronize data.

Important Compatibility Notes

This adapter is specifically designed for charging and data transfer between devices. Please note the following limitations:

- **Does NOT support OTG (On-The-Go) video and audio functions.**
- **Does NOT support:**

- Headphones
- Apple Pencil 1st generation
- Mice
- Keyboards
- USB flash drives
- Card readers
- Printers
- Microphones
- HDMI converters
- Cameras

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the adapter. Avoid using liquid cleaners or solvents.
- **Storage:** Store the adapter in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** Avoid bending or twisting the adapter excessively, as this may damage the internal components.
- **Protection:** The aluminum alloy shell provides durability, but avoid dropping the adapter or subjecting it to strong impacts.

TROUBLESHOOTING

Adapter Not Working / Device Not Charging

- **Check Connections:** Ensure both the USB-C male connector and the Lightning cable are securely plugged into the adapter and your devices.
- **Verify Compatibility:** Confirm that your device is listed as compatible with the adapter (e.g., USB-C port device).
- **Test Cables/Charger:** Try using a different Lightning cable or power adapter to rule out issues with those components.
- **Power Source:** Ensure the power source (wall adapter, computer port) is functioning correctly.

Data Transfer Issues

- **Confirm Support:** Remember that the adapter only supports data transfer for compatible devices and does not support OTG video/audio or connection to peripherals like USB flash drives.
- **Secure Connection:** Ensure all connections are firm.
- **Computer Recognition:** Check if your computer recognizes the connected device directly without the adapter.

SPECIFICATIONS

Feature	Detail
Model Number	P840034643268
Product Dimensions	0.79 x 0.39 x 0.2 inches (20 x 10 x 5 mm)
Item Weight	0.05 ounces (1.4 grams)

Feature	Detail
Material	Premium Aluminum Alloy
Connector Gender	Male-to-Female (USB-C Male to Lightning Female)
Data Transfer Rate	Up to 480 Mbps
Charging Support	35W PD (DC20V/1.75A), 27W PD (DC9V/3A), backward compatible
Color	Black + White (as a pack)
Compatible Devices	iPhone 15/15 Pro/15 Pro Max/15 Plus, iPad Pro 11, iPad Air 5th/4th gen, iPad Mini 6th gen, Google Pixel 7/6/5/4, Galaxy Z Flip 5, Galaxy Z Fold 5, Galaxy S23/S23 Ultra/S23+/S22/S21/S21 Plus/ S20/Note 20/ 20 Ultra/ 10/ 10 Plus, HTC U12, LG V50, and other USB C devices.
