

HOOTEK PT-WC-24

HOOTEK 4-Port USB Wall Charger Instruction Manual

Model: PT-WC-24 | Brand: HOOTEK

1. INTRODUCTION

Thank you for choosing the HOOTEK 4-Port USB Wall Charger. This device is designed to provide efficient and safe charging for multiple electronic devices simultaneously. Please read this manual carefully before use to ensure proper operation and to maximize the lifespan of your product.

2. WHAT'S IN THE BOX

- 1 x HOOTEK 4-Multi Port USB Charger (Model: PT-WC-24)

3. PRODUCT FEATURES

- **4-Port Design:** Recharge up to 4 smartphones or tablets simultaneously.
- **High Output:** Each port provides a maximum output of 5V/4.8A (total 40W/4.8A).
- **Certified Safety:** CE/FCC/RoHS certified with built-in protections against overheating, over-current, and over-charging.
- **Wide Compatibility:** Compatible with a broad range of devices including iPhones, Samsung Galaxy, Google Pixel, LG, HTC, OnePlus, Motorola, Sony, tablets, MP3 players, and more.
- **Portable Design:** Compact and lightweight, ideal for travel and everyday use.

Charge four devices simultaneously

Fits the socket tightly, not easy to fall out.

4. SETUP

1. Unpack the HOOTEK 4-Port USB Wall Charger from its packaging.
2. Ensure the wall outlet is easily accessible and in good condition.
3. Plug the charger directly into a standard AC 100-240V wall outlet.
4. Connect your USB charging cables (not included) to the charger's USB ports.
5. Connect the other end of the USB cables to your devices to begin charging.

5. OPERATING INSTRUCTIONS

The HOOTEK 4-Port USB Wall Charger is designed for simple plug-and-play operation. Once plugged into a power outlet, it is ready to charge your devices.

- Connect up to four devices using their respective USB charging cables.
- The charger will automatically detect the connected devices and deliver the optimal charging current up to 2.4A per port, with a total maximum output of 4.8A across all ports.
- Charging will automatically stop once your devices are fully charged to prevent overcharging.

Whatever You Go, You Can Charge

6. SAFETY INFORMATION

Your safety is paramount. The HOOTEK 4-Port USB Wall Charger incorporates multiple safety features to protect your devices and ensure safe operation.

- **Over-heated Protection:** Prevents the charger from reaching unsafe temperatures.
- **Over-current Protection:** Safeguards against excessive current flow to connected devices.
- **Over-charging Protection:** Automatically stops charging when the device battery is full.
- **Short Circuit Protection:** Protects against electrical shorts.
- **Certifications:** CE, FCC, and RoHS certified for quality and safety standards.

Always use the charger in a dry environment. Do not expose it to water or extreme temperatures. Avoid dropping or disassembling the charger.

Smart IC Technology

Ensure safety charging your devices

8. MAINTENANCE

- Keep the charger clean by wiping it with a dry, soft cloth.
- Do not use liquid cleaners or abrasive materials.
- Store the charger in a cool, dry place when not in use.
- Avoid wrapping cables tightly around the charger, as this can damage the cables or the charger itself.

9. TROUBLESHOOTING

Problem	Possible Cause / Solution
Device not charging	Ensure the charger is securely plugged into a working wall outlet. Check if the USB cable is properly connected to both the charger and the device. Try a different USB cable or device to isolate the issue.
Slow charging	Ensure your device supports fast charging. Using a low-quality or damaged USB cable can reduce charging speed. If multiple devices are connected, the total current is shared, which might result in slower charging for individual devices.

Problem	Possible Cause / Solution
Charger feels warm	It is normal for the charger to become slightly warm during operation, especially when charging multiple devices. If it becomes excessively hot, disconnect it immediately and contact customer support.

10. WARRANTY AND SUPPORT

HOOTEK provides a 12-month hassle-free warranty for this product. If you encounter any issues or have questions, please contact our customer service for prompt assistance. Our support team is available 24 hours to help you. For warranty claims or technical support, please refer to the contact information provided on the product packaging or the official HOOTEK website.
